PREVIEWSworld.com

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS & MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is easy! There are **3** simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Product will ship according to schedule;
1 = Product may ship an additional 60 days beyond scheduled ship date;
2 = Additional 90 days beyond scheduled ship date;
3 = Additional 120 days beyond scheduled ship date;
4 = Product may ship at any time beyond scheduled ship date.

***PREVIEWS* Abbreviations**
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

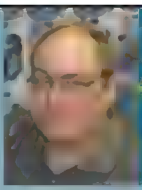
SEASON'S GREETINGS!



EDITOR'S note

Another year, another twelve issues of ***PREVIEWS*** for my library! It's been an eventful year for everyone, from the Presidential campaigns and the election to the natural disaster that was Hurricane Sandy. All that, and still more, added up to a whole lot of serious stuff in our lives from which to escape occasionally. So when it all got "too real" for you, hopefully ***PREVIEWS*** and your local comic book shop were able to help you log a little "me time" with your favorite reads and hobbies.

I like to think of ***PREVIEWS*** in the same way I waited for the new Sears catalog each holiday season, feverishly pouring over the Toy section for the latest and greatest stuff. Every issue of ***PREVIEWS*** is pretty much the "Big Toy Box" of Comics (and Toys, of course), and I never tire of helping to bring this amazing publication — filled with the coolest stuff on Earth — to our readers each month!

So, for myself and the entire ***PREVIEWS*** crew, as well as the rest of the swell folks here at Diamond Comic Distributors, Happy Holidays! It's our pleasure to bring you our publication every month, and it's your continued readership that truly makes it all worthwhile for us!

Join me here next month for the first issue of 2013!

Your Pal @ ***PREVIEWS***,

Marty

MICHAEL AVONoeming**MICHAEL AVON**oeming**MICHAEL AVON**oeming**MICHAEL AVON**oeming**MICHAEL AVON**oeming

This month's featured creator is...

MICHAEL AVON OEMING

Michael Avon Oeming began his comics career at the age of 14, breaking in as an inker. In the late '90s Mike began developing a new, simpler style as well as several projects including the *Mice Templar* (*Vol. 1: The Prophecy*; AUG082241), *Hammer of the Gods* (*Vol. 1: Mortal Enemy*; JUL090912), *Quixote*, and what would become *Powers* (*Vol. 14: Gods*; MAY120727) with Brian Michael Bendis.

Over the past decade he has been working on mostly creator owned projects such as *Powers*, Takio (DEC100634), *Hammer of the Gods*, *Rapture* (DEC09-0035), *The Cross Bronx* (JAN071926), *Mice Templar*, *Red Sonja* from Dynamite Entertainment and, currently, *The Victories* (JUN120025) at Dark Horse. He's also been working off and on at Marvel and DC with *Batman: Legends of the Dark Knight*, several *Thor* titles, an issue of *The Spirit*, *Black Panther* and a recently completed issue of *New Avengers* with Brian Michael Bendis.

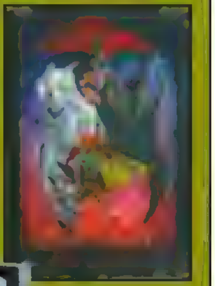
Michael Avon Oeming, what are you currently working on?
The *Powers* TV series is still in development at FX and he continues to pitch in on that project as time permits. *Takio* has one more issue to go and *The Mice Templar* is in its final arc at Image and I'm always looking to the future to do more creator owned works. *"I've been reading a lot of small press comics from No Brow Press, but alas, there is not enough time in the day to read all I would like!"*

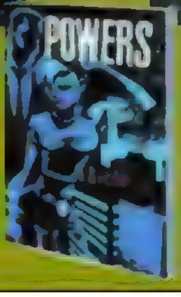
Current and Classic Works by Michael Avon Oeming:

The Victories #1 (JUN120025)

The Mice Templar Vol. 1: The Prophecy (AUG082241)

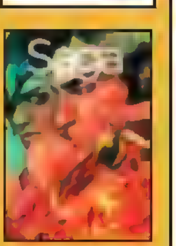
Powers Vol. 14: Gods (MAY120727)



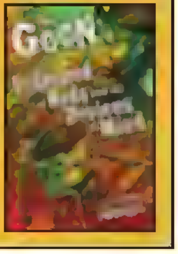


Michael Avon Oeming, what are you currently reading?

Fatale by Ed Brubaker and Sean Phillips. This crime noir series has everything I like in comics: sex, drugs, violence and perfect storytelling. Be it Sean's visual pacing, Val's colors or Ed's dialogue, this series is inspirational on every level. If you are a creator or you want to learn more about creating comics you should be studying this series. If you are just looking for great characters and story — *Bam!* — this one is for you too. I'd also suggest sharing this book with your non-comic book friends to introduce them to the world of comics beyond superheroes.
Fatale Vol. 1: Death Chases Me TP (APR120439)



Saga (by Brian K. Vaughn and Fiona Staples) has also been kicking my ass. The characters and boundless world here really stick out, but Fiona Staples' art is the real hero for me. She's handling all of it, and bringing the art of the background to a new level with her lose digital painting style, that is somehow both tight and descriptive... yet it carries enough vagueness to engage your mind in the way that HD visuals can't.
Saga Volume 1 TP (AUG120491)



The Goon (by Eric Powell) continues to deliver fun, action, storytelling, crass humor, horror and quality that just lets me soak it in like a good drink. I don't even need to be in the mood to read a comic and I can still enjoy this one instantly, anywhere and anytime. There are so many great comics out there; I wish I had more time to read! ***Manhattan Projects*** (JUN120470) and ***The Massive*** (NOV120024) also stand out these days.
The Goon Vol. 11: The Deformed of Body and the Devious of Mind TP (FEB120041)

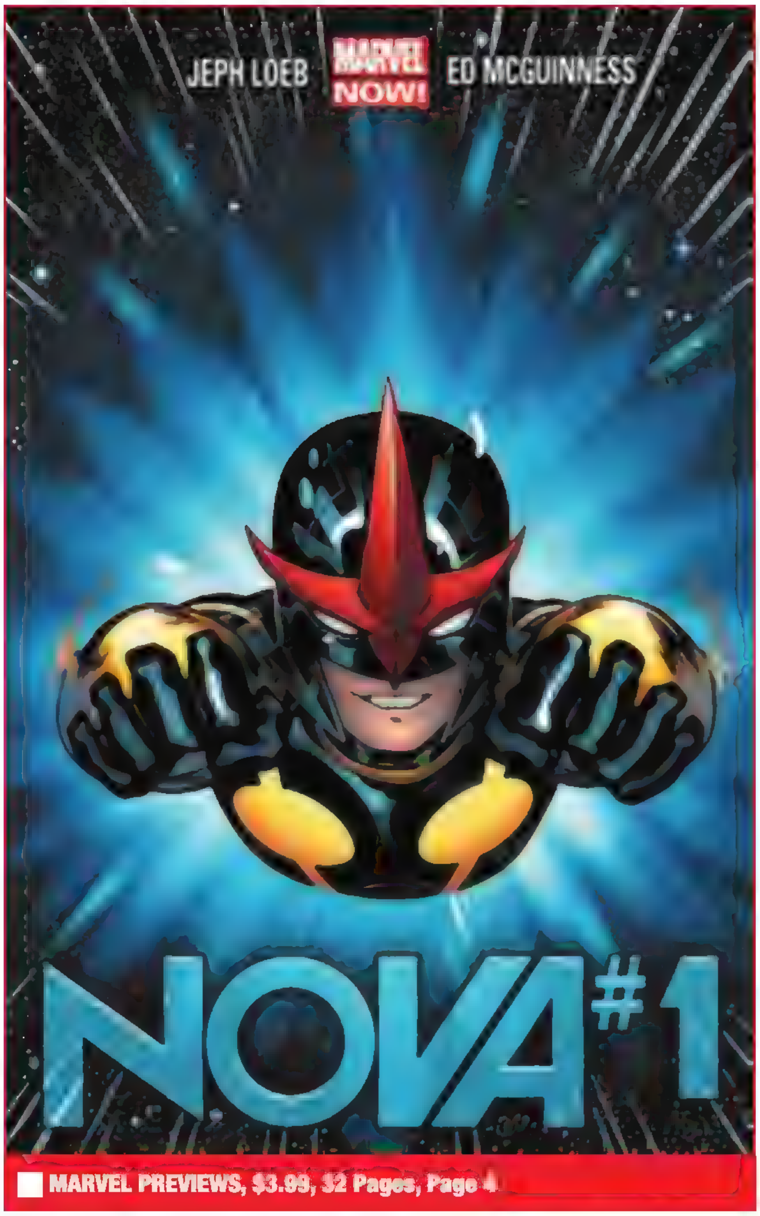
MARVEL'S ROCKET-MAN TAKES FLIGHT ONCE AGAIN!



MARVEL PREVIEWS, $3.99, 32 Pages, Page 4

MP-4

Earth has a new champion in the Nova Corps, and his name is Sam Alexander!

Who is Sam Alexander? How did he gain the power of the Nova Corps? This February, the story of the Nova Corps' newest member is revealed as Jeph Loeb and Ed McGuinness team once more for Marvel NOW!'s next blockbuster, *Nova!*

Introduced in last year's *Marvel Point One*, Sam Alexander has assumed the mantle of Earth's cosmic protector in the star-spanning Nova Corps, and he played a pivotal role in *Avengers Vs. X-Men*, first by warning Earth of the Phoenix Force's impending arrival, then delivering a decisive blow on the Phoenix-enhanced Cyclops in the final battle that led to his ultimate defeat.

But Sam Alexander's story begins long before then. Once he was a kid, growing up in a small town, whose biggest dreams were the over-the-top stories of his drunken father, whose biggest concerns were making it through each day and finding his place in the world. Now he's the heir to Richard Rider's legacy as Earth's Nova and the wielder of the Nova Force. His father's drunken stories are far away, and the worries of living in small town America have been replaced with defending the galaxy on a cosmic stage.

Loeb and McGuinness renew a collaboration that has spanned a decade. Sam Alexander may hold a hold of power in his hands, he may have responsibilities his friends back home could never dream of, but in his heart he's still just a small-town kid with small-town values. Loeb's deft touch with characterization is perfectly melded to McGuinness' ability to convey cosmic scope and epic action, making *Nova* a standout in Marvel NOW!

Big adventure, big storytelling, and big-name creators collide for one explosive comic. Shining as bright as an exploding star, Loeb and McGuinness' *Nova* blasts off for human adventure and cosmic thrills this February!

EXPLORE THE WORLD OF DRAGON AGE WITH THIS OFFICIAL GUIDE

BioWare's action/role-playing series *Dragon Age* was acclaimed by reviewers, captivated fans, and produced two best-selling games with a third on its way. Dark Horse Comics provides longtime fans and curious newcomers the perfect opening to the world of the game with their new book, *Dragon Age: The World of Thedas* Volume 1.

Filled with behind-the-scenes artwork and text pieces on the settings, monsters, and magic of the game world, all written and created by the games' creative teams, *Dragon Age: The World of Thedas* Volume 1 is the definitive guide to the game that has enchanted gamers. Whether you've discovered the world of *Dragon Age* through the games or through the novels, comics, and films based on the series, this book is the ideal companion to your explorations of the world of Thedas with never-before-seen art and archival materials.

DISCOVER COMICS' UNSUNG HEROES THIS MONTH WITH *PREVIEWS*

When the Earth is imperiled, when disasters threaten our cities, when the fabric of reality itself unravels, humanity calls upon its super-heroes to save it: heroes like Ghost, Invincible, The Crusaders, The Tick, and many more! This month, *PREVIEWS* invites you to discover the Unsung Heroes who have adventures just as important, just as Earth-shaking as those more familiar heroes.

Much like the Greek gods of myth, comic heroes exist in varying pantheons, from the "titans" themselves — universally recognized and immortalized on TV, movies and other mediums — to the "demigods"; not household names per se, but just as deserving of the attention and respect of their fans. These are the "Unsung Heroes" of comics… the characters that stand tall in the shadows of legends.

Throughout this issue of *PREVIEWS*, you'll find books from publishers like Dark Horse Comics, Dynamite Entertainment, BOOM! Studios, Archie Comics, and many more labeled as Unsung Heroes. Books that star caped and masked heroes who may not be as well known but whose adventures lack none of the thrills.

Dangers lurk around every corner, and the Unsung Heroes take center stage in saving the world this month!

THE G.I. JOE TEAM GOES PUBLIC IN IDW'S NEW SERIES

For years, the G.I. Joe team has operated in the shadows. As the elite of the military's Special Forces, they worked best in the dark. But recent events in the pages of IDW's *G.I. Joe* titles have brought the team into the light, and now the shadow conflict between G.I. Joe and Cobra has exploded out into the open!

This new chapter in G.I. Joe history begins in IDW's new ongoing G.I. Joe series from Fred Van Lente and Steve Kurth! Fighting in the open on American soil, in full view of the reporters and the bloggers, G.I. Joe faces challenges as they never have before, even as they continue in their long twilight struggle against the evil of Cobra!

If you've never read a G.I. Joe comic before, there's no better time to start than with February's *G.I. Joe* #1 from IDW Publishing!

THE DARK KNIGHT STRIKES WITH NEW PLAY ARTS KAI FIGURES

This summer Christopher Nolan's Batman trilogy came to a close with *The Dark Knight Rises*, a blockbuster film that pit Batman against his ultimate nemesis, Bane. Square Enix, who revolutionized action figures with their *Play Arts ~Kai~* line, turn their artistry to Nolan's film trilogy with their new *Dark Knight Trilogy Play Arts ~Kai~ Figures*.

Batman and his nemesis Bane feature impressive sculpts based on the actors' likenesses and their costumes, making these some of the most accurate action figures of Christian Bale and Tom Hardy ever made. Each figure stands close to 10" tall and come with accessories taken from the film.

Fans of Nolan's acclaimed trilogy will want to add these collector figures to their collection and stage their own confrontation between Batman and Bane. Arriving in stores next spring, Square Enix's *The Dark Knight Trilogy Play Arts ~Kai~ Action Figures* will thrill every fan of Christopher Nolan's films!

BATMAN CHARGES INTO BATTLE ASTRIDE HIS MIGHTY STEED 149

The climax of Frank Miller's graphic novel *The Dark Knight Returns* sees Batman take charge in a powerless Gotham City, mounting a horse and riding into battle when his city is threatened by anarchy. Phil Ramirez sculpts Batman, charging into battle, for DC Collectibles' *Batman: The Dark Knight Returns: A Call to Arms Statue*, which transforms a memorable panel from the graphic novel into full 3-dimensional form. Standing 14 1/2" tall, this stunning recreation will be a centerpoint in any Batman fan's collection!

TAKE THE BLACK FOR DARK HORSE'S NEW GAME OF THRONES STATUE 73

To the north of the Seven Kingdoms, a mighty wall stands in the frozen wastes, a wall risen ages past by ancient magic. Men, sworn to the black, guard the Seven Kingdoms of Westeros against the invaders from beyond the walls, and one of those men is Jon Snow, the bastard son of Lord Eddard Stark. The next piece in Dark Horse Comics' Game of Thrones statue line, the Jon Snow statue stands 13" tall and features a stunning sculpt of actor Kit Harrington along with his companion Ghost from the fan-favorite HBO series!

CALTEK EARNS A MEDAL OF HONOR FOR THEIR NEW FIGURE 398

The latest game in EA's venerable Medal of Honor franchise, Medal of Honor: Warfighter brings armchair soldiers into the warfare of the present day, putting gamers in the shoes of Special Forces soldier Preacher in hotspots around the world, including Bosnia, Pakistan, and Somalia. CalTek brings this dedicated soldier to life with their Medal of Honor: Warfighter: Preacher 1/6-Scale Figure. Standing 12" tall, Preacher features an authentic cloth costume and comes equipped with the gear and weaponry seen in the game, creating a collectible that no Medal of Honor fan will want to be without!

MARVEL: WARBIRD STATUE FROM BOWEN DESIGNS

402 MS. MARVEL MAKES FOR A SUPREMELY COMPELLING STATUE

Exposure to Kree powers and technologies transformed Air Force intelligence officer Carol Danvers into one of the most powerful characters the Marvel Universe has ever seen — Ms. Marvel! Digitally sculpted by Jason Smith, Bowen Design's Ms. Marvel: Warbird Statue depicts Carol in her late-1990s costume — the leotard with the gray stripe, the red shash, the over-the-knee black boots, the domino mask. Standing 12" tall, the Ms. Marvel: Warbird Statue presents Carol as she truly is — cool, confident, and supremely powerful!

DC COMICS: *JUSTICE LEAGUE* BATMAN STATUE

409 THE NEW 52'S DARK KNIGHT STRIKES WITH A NEW STATUE

Last summer DC Comics relaunched their universe with the "New 52." Familiar characters were given new histories, new costumes, and new stories to update them for the 21st-century. No character was left untouched, and Batman's redesign by Jim Lee has proven popular! Kotobukiya sculpts the new Dark Knight for their DC Comics: Justice League Batman New 52 ArtFX+ Statue. Standing 8" tall, sculptor Goutaro Takeuchi interprets Jim Lee's armored design in 3-dimensional space, creating a truly imposing vision of Gotham City's champion!

THE RED PYRAMID THING FROM SILENT HILL 2 WANTS TO PLAY 405

One of the groundbreaking games in the survival-horror genre is Konami's Silent Hill series. As renowned for its psychological shocks as its visceral horror, the Silent Hill games set the standard for video game horror. One of the creature-things from Silent Hill 2 is the Red Pyramid Thing, and ToyMunkey Studios has sculpted an impressive and chilling version of that creature for their Silent Hill 2: Red Pyramid Thing Statue. Standing 13" tall, this is a statue that you won't want to turn the lights out on if you value your sanity!

FREEZE YOUR CHANGE IN CARBONITE WITH THE HAN SOLO BANK 383

Captured by Darth Vader in Cloud City, Han Solo was imprisoned in carbonite, and the stark black slab of Solo's frozen body was sent to Jabba the Hutt's palace on the desert world of Tatooine to be placed on display, the statue of a living man. Now a replica of this statue can be yours with Diamond Select Toys' Star Wars: Han Solo in Carbonite Bank. With a detailed sculpt that recreates the prop from The Empire Strikes Back and Return of the Jedi, this is a Han Solo you don't need a bounty hunter to find!

chapter one

WELCOME TO THEDAS

FROSTY PEAKS IN THE HUNTERHORNS. Tangled jungles on Par Vollen. The marvelous tunnels of dwarven construction known as the Deep Roads. From these distant edges of Thedas to the center of Chantry power in Val Royeaux, blood has spilled.

Thedas is a continent in turmoil.

To truly understand the world, you must look to its troubled people: the hard choices they have made, the nations they have built, and the bloody legacies they leave behind.

When there isn't a would-be empire threatening war, there's the darkspawn scourge roaring to the surface, threatening to kill everyone, borders be damned. Then there's magic. Mages might not be able to choose their gift, but every nation has ways to deal with it. Some celebrate and foster magic as a skill. Most violently suppress its use and dominate its users.

Over the course of history, humans have warred with elves, the Qunari, and each other. These myriad conflicts have shaped territories and generations of intolerance and oppression, while religion, be it belief in the Maker, the Qun, or any number of pantheons, elevated some societies to power and left others in ashes.

Arlathan is founded some four thousand years before the arrival of humans on the continent. The date is so far removed from recorded history that it is nearly impossible to measure in Chantry years.

1 FA

Humans arrive in Thedas.

3100 ANCIENT

The once immortal elves first notice the Quickening, an effect that has them dying for the first time. They elves blame the humans and withdraw to avoid further contact.

2850 ANCIENT

The Old Gods are said to begin whispering to humanity from the Black City. They teach the Dreamers of the Neromenian tribes magic. Power shifts, and these Dreamers become both priests and kings among their people.

2800 ANCIENT

The Alamarri tribes cross the Frostback Mountains and settle in the lands that will eventually become Ferelden. Alamarri legend says they were fleeing a "Shadow Goddess" but scholars believe they were escaping a natural disaster.

2415 ANCIENT

The Alamarri living near Lake Calenhad break away, becoming the Avvar. The two groups war with each other for centuries.

Gary Baseman "The Door is Always Open" Journal **$9.99**

Gary Baseman is a leader within an international cultural movement that includes both mainstream and underground art. After a career as a top commercial illustrator, creator of Disney's *Teacher's Pet* animated show, and artist for the Cranium board game, he felt he should not be "limited to one world, whether the gallery world, editorial world, or art toy world." He has now embraced them all with success.

In March 2013, the Skirball Cultural Center in Los Angeles will install a major career retrospective, *My Door Is Always Open*, that will run for six months. Dark Horse is celebrating with a new range of merchandise, all selected and approved by Gary Baseman.

The Gary Baseman Veritas Pins will be a series of five deluxe sculpted metal pins, all with the theme of "veritas" (Latin for "truth"), newly designed by Baseman. New designs will be solicited in next month's issue of *Previews*.

GAME OF THRONES

JON SNOW & GHOST STATUE

ON SALE JUNE 26
13″ high, 16″ across
Limited edition **$349.99**

There is a spiritual bond between Jon Snow and his direwolf companion, Ghost. Like Jon, the wolf cub was set apart from his siblings, and he leaves Winterfell with Jon to the Wall.

Attuned to danger with a preternatural sense, Jon and Ghost team as if one.

No detail has been spared in this faithful replica, crafted expressly for Dark Horse's program by the sculptors at Gentle Giant Studios.

The large size and meticulous detailing make this a piece for the true collector.

*RETAILERS: SEE YOUR ORDER FORM FOR INCENTIVE INFORMATION

The South Pacific theatre of World War II is usually seen from the perspective of the Marines fighting from Guadalcanal to Okinawa. Yet unsung in WWII fiction is the story of the 6th Army's 6th Infantry Division ("the Sightseein' Sixth") and their jungle commandoes, the Alamo Scouts, under the command of Gen. Walter Kreuger, the trusted and savvy lieutenant of "America's Caesar," Douglas MacArthur.

Fever Ridge explores unique events, perspectives, exotic locales and peoples that are different than any you have encountered in other WWII stories... and ultimately is the story of a secret that could have changed the War, and the world.

EPIC IN SCALE, THE ACTION TAKES YOU DEEP INTO THE "CANNIBAL ISLAND" OF NEW GUINEA, TO URBAN GUERILLA COMBAT IN THE PHILLIPINES, TO THE OCCUPATION OF JAPAN AFTER THE EMPIRE'S UNCONDITIONAL SURRENDER.

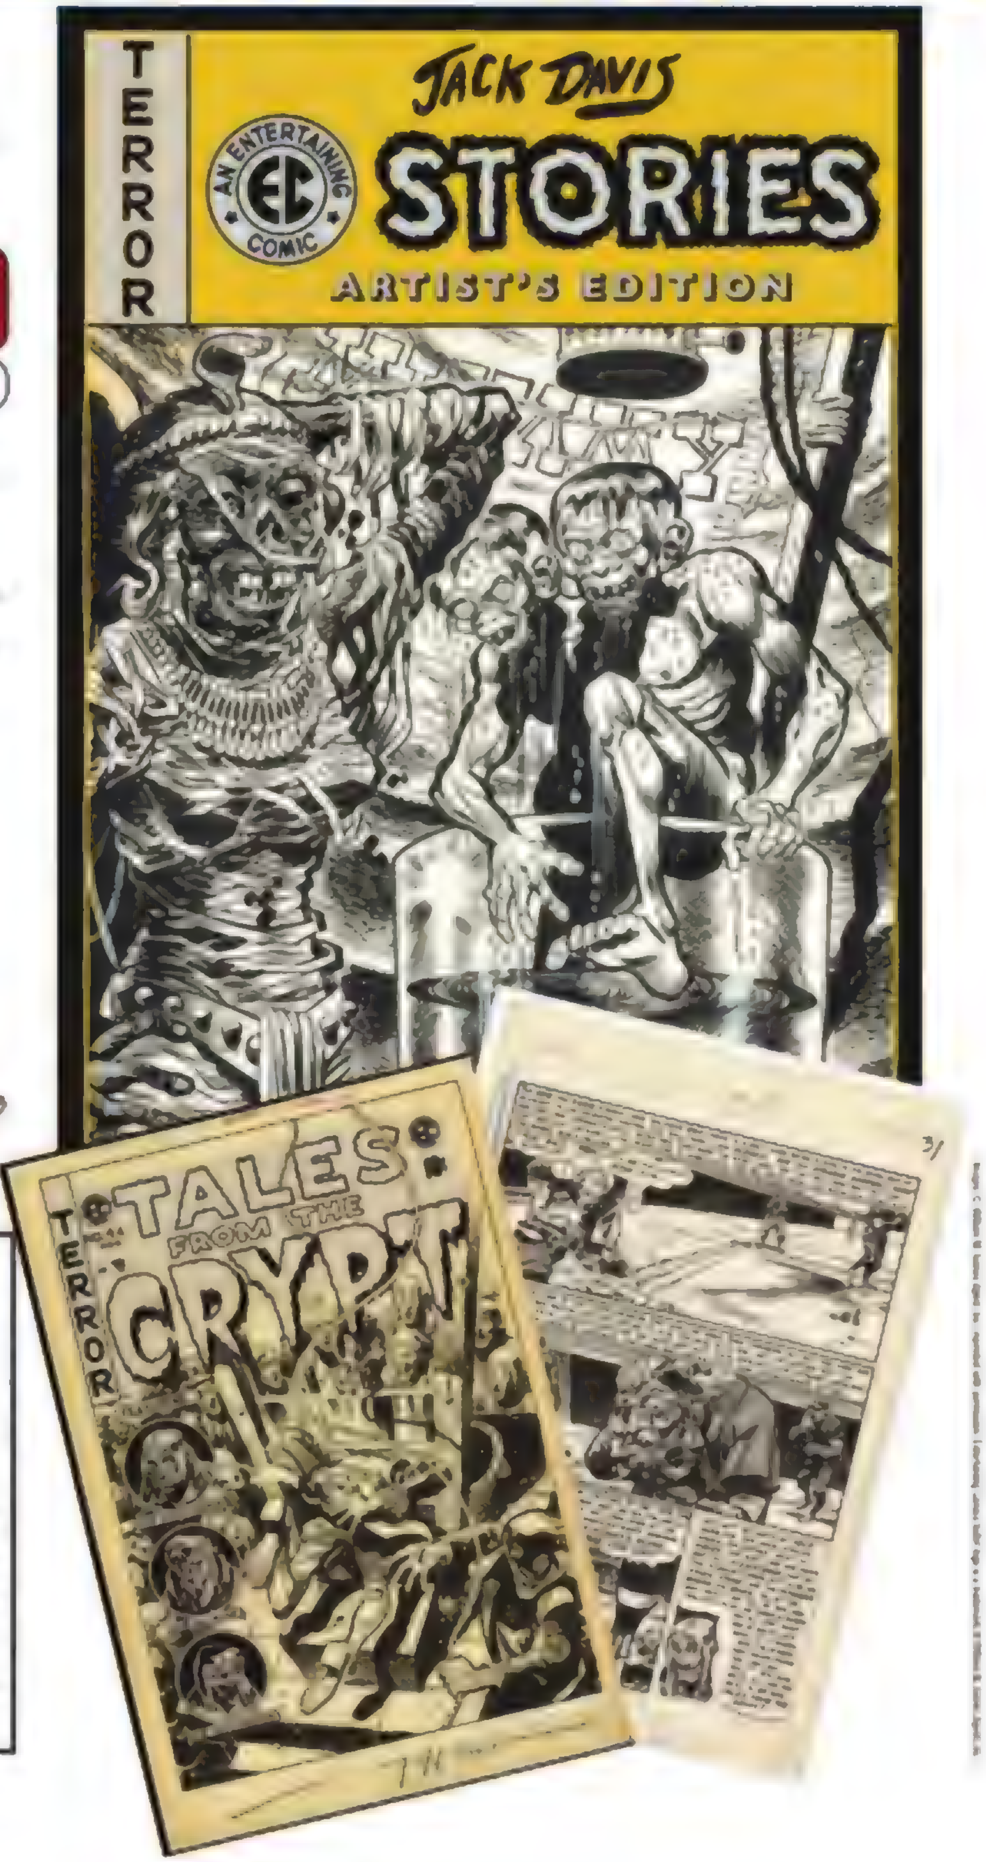
Jack Davis is one of the founding fathers of EC Comics, he is a master of horror, humor, and nearly every other genre EC published. Aside from his work at EC, Davis is one of the most prolific and popular commercial artists of all time. His instantly recognizable style has graced covers of *Time* Magazine and *TV Guide*, as well as movie posters and stamps. *Jack Davis' EC Stories: Artist's Edition* will present a beautiful selection of some of Davis' best and most memorable stories–such as FOUL PLAY–and an extensive cover gallery–and all at the same size as originally drawn!

ADVANCE SOLICITED FOR A MARCH RELEASE!



WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art–for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

Question of the Month “What is Your Favorite Comic Book Love Story?”

“12 REASONS WHY I LOVE HER by JAMIE S. RICH and JOELLE JONES. This is one of the books I list when people ask me what few books would I hand to people who do not read comics. Not only is the story heart-felt, but also the art content and the layout is pleasing to the eye. It reaches beyond sequential art and lightly steps into poetry.”
JIMMIE ROBINSON

“TRUE STORY, SWEAR TO GOD: CHANCES ARE... by TOM BELAND. I was really moved and impressed with the sincerity of the storytelling and the delightful clean line artwork.”
MICHEL GAGNÉ

“Horatio Hellpop and Sundra Peale in NEXUS by MIKE BARON and STEVE RUDE. It’s like a Norman Rockwell romance... IN SPACE!”

THE THIRD DEGREE

ANDY DIGGLE

What are you working on right now?
Today I’m plotting out the opening issues of my *Action Comics* run and my new Dynamite crime series.

What’s the best part of your job?
Independence.

What’s the worst part of your job?
Zero downtime. Lawrence Kasdan nailed it when he said, “*Being a writer is like having homework every night for the rest of your life.*”

How did you first discover comics?
I can’t remember *not* reading comics. I have two older brothers, so comics were always in the house. The first things I read were *The Beano*, *Asterix* and *Commando Picture Library*. Then I discovered 2000AD at age 10, and everything changed.

If you weren’t working in comics, what would you be doing?
Some other kind of storytelling. Making films or writing novels, probably.

What’s the best thing a fan has ever said to you?
“The comic was better.”

Who is the biggest influence on your work?
John Wagner.

What is the single work of which you’re most proud?
The Losers.

Own up to one of your guilty pleasures.
Cigarettes.

What was the last comic book you bought?
CBLDF Liberty Annual and the *Action Comics Annual*, this week.

If you could be someone else for a day, who would it be?
Forgive the cliché, but I’d be Neil Armstrong. To stand on the Moon and look back at the Earth, where every single person has ever lived and died? How easily we forget what an astonishing achievement that was. And how little we seem to have learned from it as a society.

Pick three things you couldn’t live without.
My family, my independence, and doing what I love. Everything else is mere logistics.

What’s the strangest thing you have in your house?
My kids.

What makes you laugh?
My kids.

What is one of your favorite places?
Tholt-y-Will Glen, on the Isle of Man.

What music are you listening to these days?
Whatever my wife is listening to.

What is your favorite film of all time?
Impossible to choose between *Jaws*, *Alien* or *Raiders of the Lost Ark*.

Who is your best friend?
I haven’t murdered Jock yet.

What is the best advice you’ve ever received?
To switch off your inner critic while you get the first draft down. Perfectionism kills spontaneity. You fix it in the rewrite.

When was the last time you were truly frightened?
Last time I looked in the mirror.

Who is someone you really admire?
Anyone who devotes their life to the betterment of others. Nurses, teachers, child protection workers. Thankless jobs with lousy pay. They’re the unsung heroes of our society.

What would you like to see happen in comics in the next 12 months?
Fewer capes, more capers.

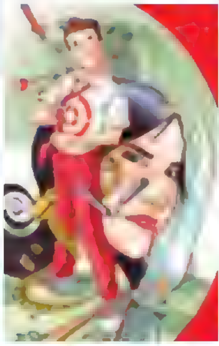
SNAPSHOT #1 (of 4)

Jake Dobson is your typical nerd: works at the Near-Mint Rhino comic-book store in San Francisco. But when he finds a lost cell phone, he’s horrified to discover it’s full of snapshots of a murder victim. Suddenly he finds himself hunted by a vengeful hitman who wants his phone back... and Jake in a body bag! And then things start to get “really” complicated... Don’t miss the first ever creator-owned thriller from the team behind THE LOSERS and GREEN ARROW: YEAR ONE!

ZED: A COSMIC TALE

When a cute little alien named ZED demonstrates his invention to the Hierarchy of the Galaxy, something goes wrong – terribly wrong! Before long, ZED’s universe is thrown into complete turmoil and our little hero must face nearly insurmountable odds trying to survive and save the very fate of his home world. Imbued with a dark edge, peppered with pure silliness, and wrapped up in a childlike sense of wonder, ZED’s adventures will keep readers tickled and captivated from start to finish.

FIVE WEAPONS #1 (of 5)



13-year-old Tyler finds himself in a specialized school where assassins send their kids for education and training in one of the five deadly weapons. Tyler doesn’t have a weapon or any fighting skills, but he still plans to graduate by beating every weapon master in the school because he has a powerful ability that nobody can match: his razor-sharp mind! JIMMIE ROBINSON twists the insanity of BOMB QUEEN in a fun new series that will keep you guessing to the end.

UNCANNY SKULLKICKERS #1

The UNCANNY SKULLKICKERS: Two hard-headed mercenaries kill monsters and cause havoc in their search for money, fame and adventure! A bold new direction! A perfect jumping-on point! A newly added adjective! Our nineteeth issue, but also a new issue №1! It’s all here, people! Don’t make us use more exclamation marks!!

"THEY ARE A POWERFUL FOE, BUT THEY WILL FALL!"
In a fantastic world far from our own, an ancient magic spell almost split the world in two and left an endless ravine in the north. One man, Nebezial Asheri, driven by the deaths of his wife and daughters will attempt to reclaim that magic and bring his loved ones back to life. The forces of an entire city, Paladia, will rise to oppose him, but his greatest foes will be a ragtag band of an outcast wizard, a dragonrider, and their allies.

Artist extraordinaire **STJEPAN SEJIC** (**ARTIFACTS**, **WITCHBLADE**) branches out into his first ever creator-owned and original property for Top Cow! Presented in a perfect-bound, dramatically oversized issue format, **RAVINE** is an epic about the lengths one man will go to to reconstruct his family, and the forces of good who must stop him at all costs.

UNSUNG HEROES

Since the Golden Age of comics
in the late'30s and early '40s,
heroes (super and otherwise) have been
a staple of the comics. They thrill us with their exploits,
and serve as examples of the heroic ideal we can all
strive to emulate. We know them all, intimately,
and follow their adventures faithfully.

Much like the Greek gods of myth, these heroes exist
in varying pantheons, from the "titans" themselves —
universally recognized and immortalized on TV, movies and
other mediums — to the "demigods"; not "household names" per se,
but just as deserving of the attention and respect of their fans.
These are the "Unsung Heroes" of comics...
the characters that stand tall in the shadows of legends.

This month, ***PREVIEWS*** once again pays tribute to these great characters,
in hopes that they'll find new fans, and newfound recognition, amongst
readers and collectors alike. Look for our "Unsung Heroes" icon
throughout this issue for more great heroes!

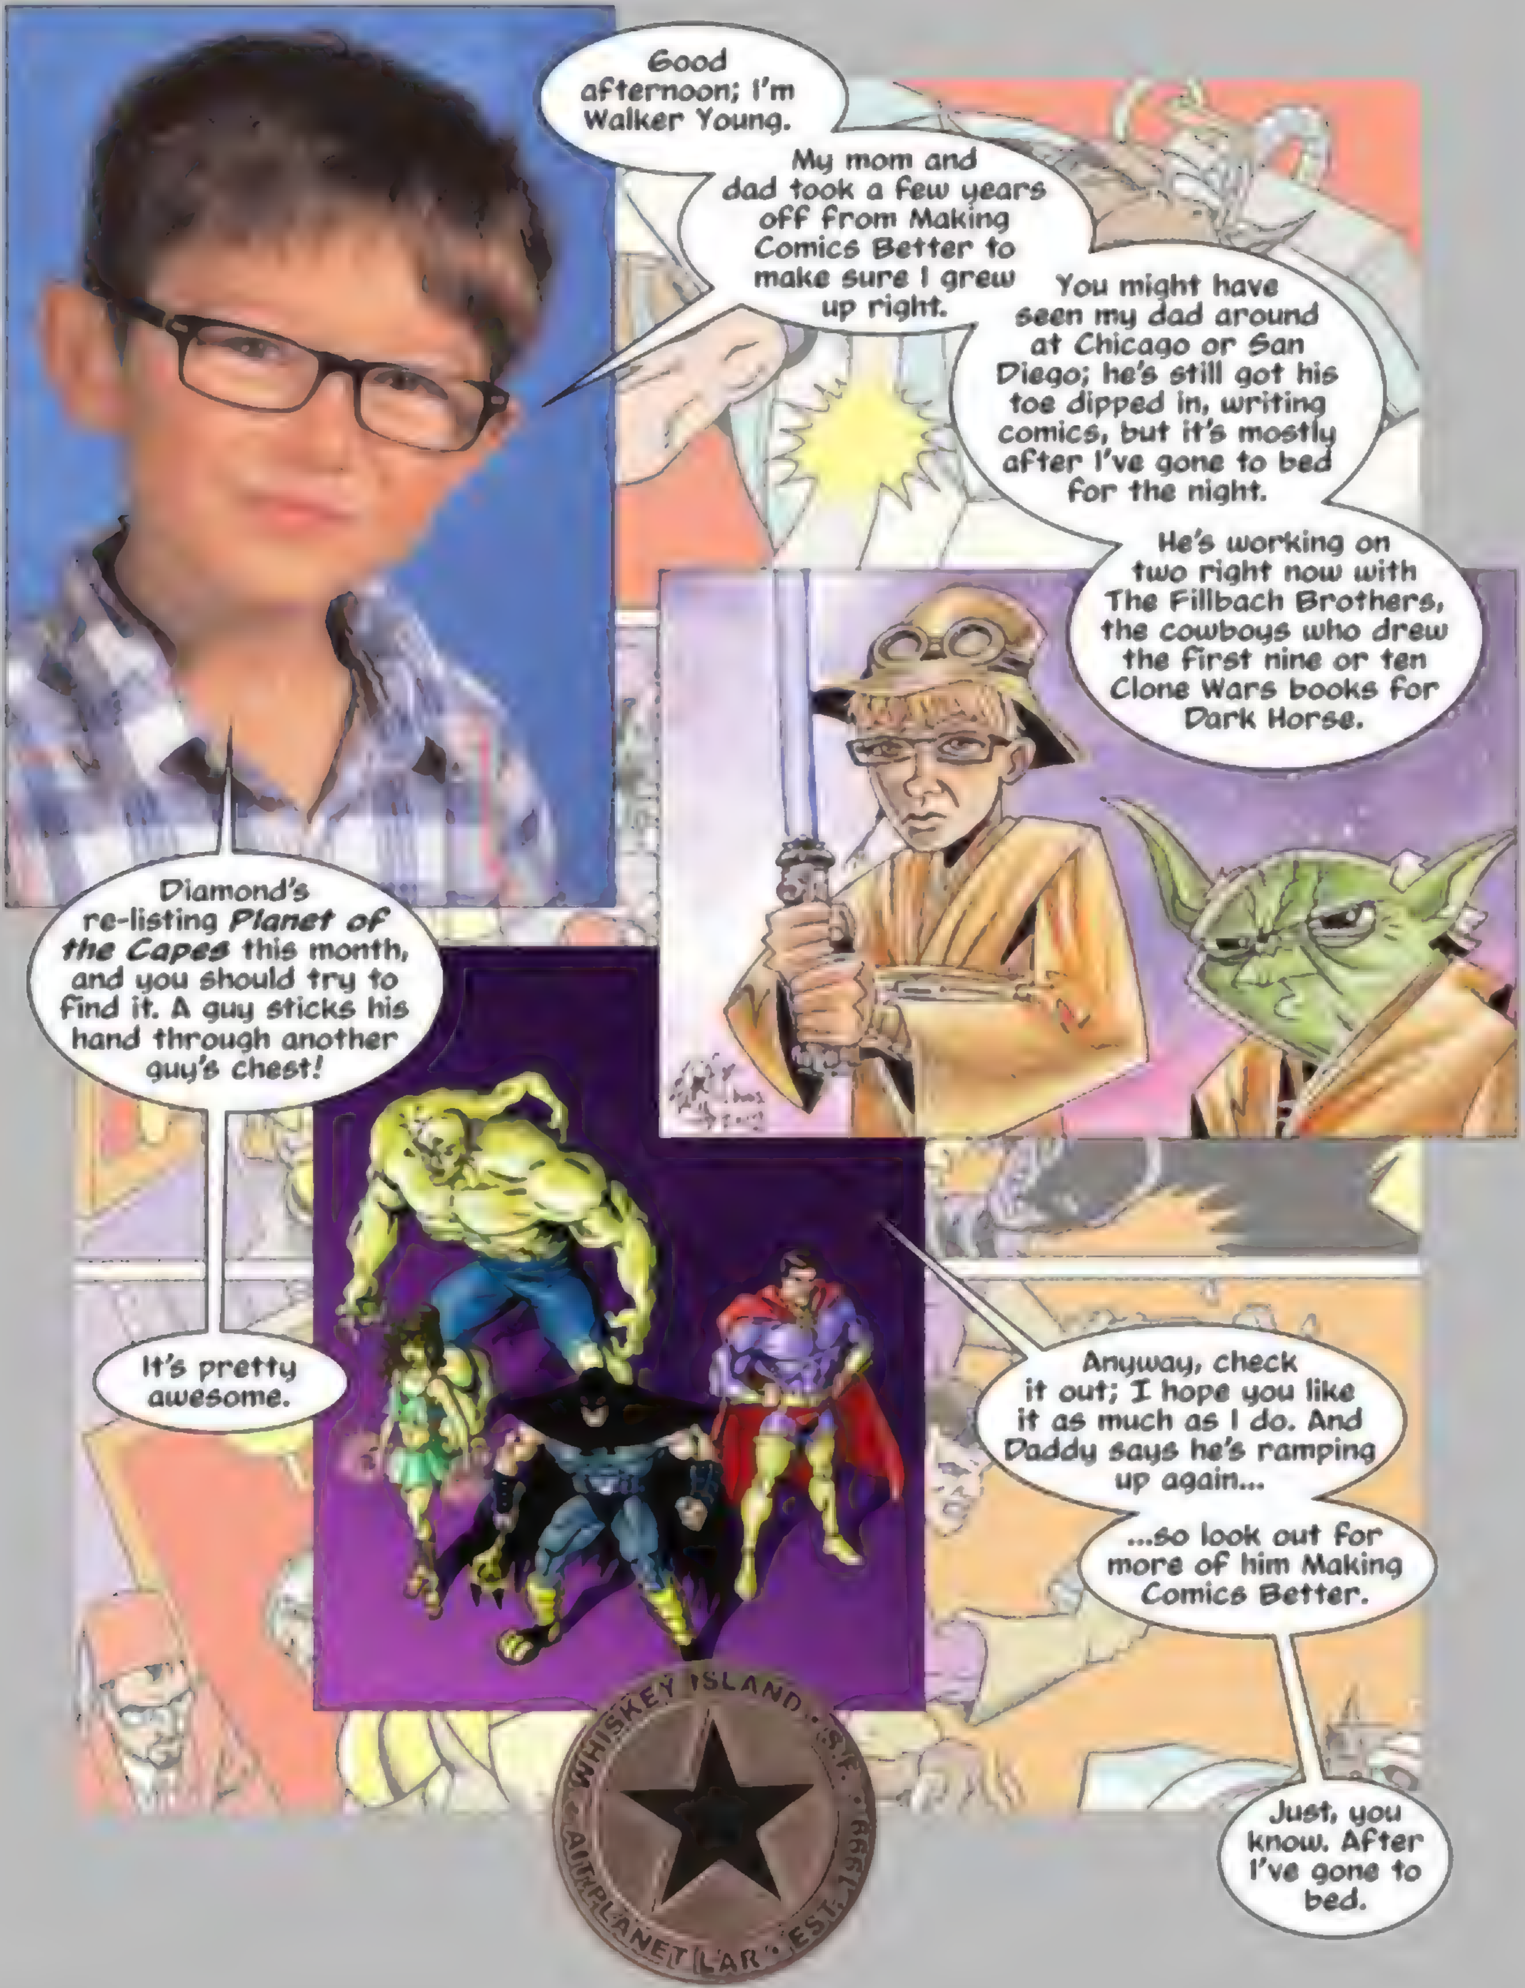
GIRL GENIUS



Good afternoon; I'm Walker Young.
My mom and dad took a few years off from Making Comics Better to make sure I grew up right.
You might have seen my dad around at Chicago or San Diego; he's still got his toe dipped in, writing comics, but it's mostly after I've gone to bed for the night.
He's working on two right now with The Fillbach Brothers, the cowboys who drew the first nine or ten Clone Wars books for Dark Horse.
Diamond's re-listing *Planet of the Capes* this month, and you should try to find it. A guy sticks his hand through another guy's chest!
It's pretty awesome.
Anyway, check it out; I hope you like it as much as I do. And Daddy says he's ramping up again...
...so look out for more of him Making Comics Better.
Just, you know. After I've gone to bed.

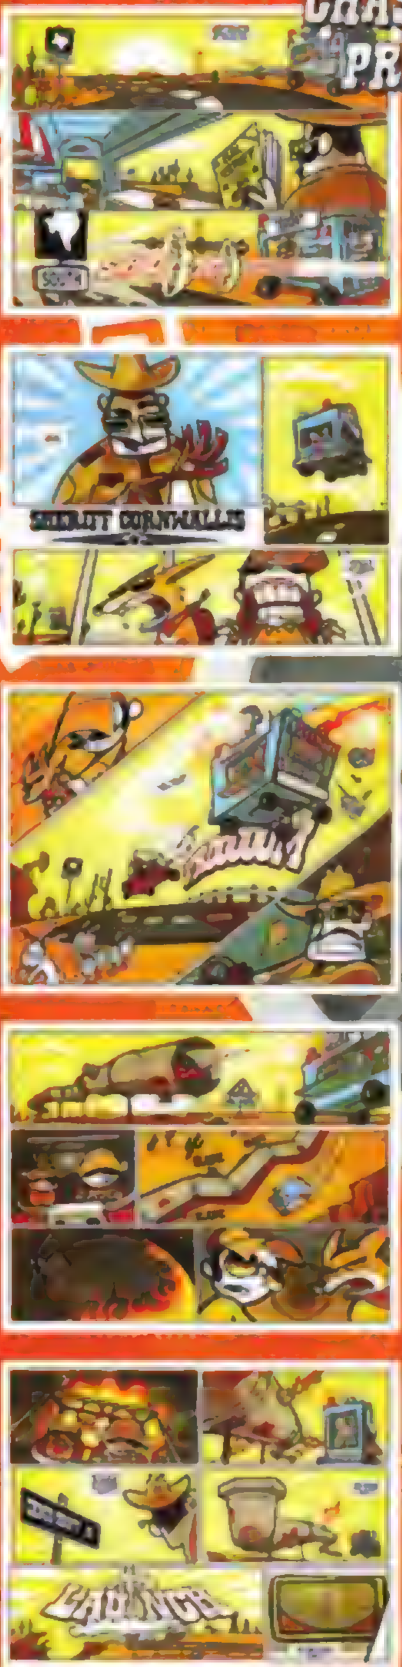
featured graphic novel | PANTALONES, TX: DON'T CHICKEN OUT

A CHICKEN SHACK CHASE SCENE PREVIEW!



creator spotlight

YEHUDI MERCADO

Writer/Artist, Pantalones, TX

Pantalones, TX started as a cartoon pitch but is now a graphic novel. Can you explain?

Yehudi Mercado: It was originally called ***Speed Trap, TX*** when I pitched it to Disney. It was still about a tiny Texas town where underwear was invented and the kids would water ski on the Pantalones River. It was actually a suggestion of the development exec to call it ***Pantalones, TX***. The show was about to be optioned when Michael Eisner stepped down and Bob Iger stepped in and put a freeze on all options, then the development exec was let go.

Who are your animation influences?

YM: Tex Avery is a big influence. There was a cartoon of his called ***Cellbound*** about a dog who plans to break out of prison, but accidentally tunnels straight into the warden's television set. The dog has to play all the parts in various TV shows so the warden wouldn't suspect anything. It still holds up. I love that cartoon. Also, Genndy Tartakovsky (*Dexter's Laboratory*, *Samurai Jack*), Brad Bird (*Iron Giant*, *The Incredibles*), and Tim Burton.

Pantalones, TX has a giant chicken in it. How did it get so big?

YM: It's easy. All you gotta do is start with a giant egg.

You're a Texas native. What is your favorite thing about Texas that you put in your book?

YM: One of the characters, Bucky, discovers that he's a vegetarian and learns that, up until a year ago, it was illegal to even say the word "vegetarian" in the state of Texas.

What kind of pantalones are you wearing right now?

YM: Here's the thing about me and pants: we agree to disagree. I am a shorts guy in a pants world. My first job was working at a grocery store in Houston called Randalls. The uniform was wool Sansabelt slacks, a long-sleeved Oxford shirt, and a tie. My job was to operate the BBQ pit in the parking lot. Summers in Houston rank somewhere in the Devil's sauna range, and standing over an open flame didn't help, so I refused to wear pants and I had my mom cut my wool slacks into shorts. I became the first Randalls employee to wear shorts. I'm not equating myself to Rosa Parks... but you certainly may.

ORIGINAL GRAPHIC NOVEL **HARDCOVER**

(W) **JOSH TIERNEY** **(A)** **GIANNIS MILONOGIANNIS, KYLA VANDERKLUGT, TIMOTHY WEAVER, & AFU CHAN**
(COV) **AFU CHAN**

In this sequel to the critically acclaimed first volume of *Spera*, exiled princesses Pira and Lono travel to the bustling city of Koteqaog to avoid the clutches of Pira's mother, the Evil Queen. Obtaining jobs as adventurers, the two best friends set out on a series of quests that land them in perhaps more excitement than they'd bargained for. Told in four chapters and a series of stand-alone shorts, each drawn by a different rising talent in comics, *Spera* **Vol. 2** brings the same gorgeous artistry as its debut installment. *Spera* will appeal to art lovers and children of all ages, especially fans of *The Legend of Korra*, Patricia Wrede's *Dealing with Dragons*, Disney's *Tangled*, and the *Flight* series.

MR. MURDER IS DEAD

ORIGINAL GRAPHIC NOVEL **HARDCOVER**

(W) **VICTOR QUINAZ** (A) **BRENT SCHOONOVER**
(COV) **BRENT SCHOONOVER**

There's been a murder—Mr. Murder is found dead! Old Gould Kane, long into his retirement as a top cop, looks to be the #1 suspect with a motive so deep and intense even Gould's old partner suspects him. But the truth is Gould's the only cop worth a damn to solve the cryptic case. The clues could lead Gould to a new and perhaps even greater profession in his twilight… as a very bad man. *Mr. Murder is Dead* is a "who didn't do it" set in the fading world of Golden Age comic strips. A criminal's lament to all things past, present and meaningless.

A LETTER FROM ARCHAIA'S **PRESIDENT AND COO**

Welcome to the new Archaia solicitation section! Here, you'll find spotlights and previews of upcoming releases, creator interviews, behind-the-scenes peeks, and all of the information you need to make a well-informed buying decision.

We're very excited by our latest original titles releasing in time for the holiday season, such as ***City in the Desert*** by Moro Rogers; ***Cursed Pirate Girl*** by Jeremy Bastian; ***Hopeless, Maine*** by Tom and Nimue Brown; ***Iron: Or, the War After*** by Shane-Michael Vidaurri; and ***Rust Vol. 2: Secrets of the Cell*** by Royden Lepp. As some of you may know, we're also known for translations of some of Europe's best graphic novels, such as ***The Grand Duke*** by Yann and Romaine Hugault, ***Last Days of an Immortal*** by Fabien Vehlmann and Gwen de Bonneval, and the late master illustrator Sergio Toppi's ***Sharaz-De: Tales from the Arabian Nights***, all of which are being offered for the first time in English. And if you're a fan of classic sci-fi, look for ***Space: 1999: Aftershock and Awe***, an original graphic novel based on the fan-favorite TV show.

2013 is promising to be a banner year for us, with a line-up of exciting original titles and anticipated sequels on the horizon, such as David Petersen's ***Mouse Guard Vol. 3: The Black Axe*** and Sean Rubin's ***Bolivar***. We're really looking forward to offering fresh new titles from rising talent, such as ***Strange Attractors*** by Charles Soule, ***Mumbai Confidential*** by Saurav Mohapatra and Vivek Shinde, ***The Reason for Dragons*** by Chris Northrop and Jeff Stokely, and ***Pantalones, TX*** by Yehudi Mercado, spotlighted in this very issue. This is in addition to our continued partnership with The Jim Henson Company on ***The Dark Crystal: Creation Myths Vol. 2***, and our newest partners, Meteor Entertainment, on their mech-combat video game tie-in ***Hawken: Genesis***, and Ishimori Productions, on the reboot of the classic ***Cyborg 009***.

All of us here at Archaia want to express our deep appreciation to all of the comic shop retailers who have supported us in the past, and continue to do so moving forward. You are the forward-operating command centers for our fans, collectively spreading the word to the rest of the world through social media, user-review sites like **GoodReads.com**, and personal blogs.

Finally, by way of introduction, I am Jack Cummins and, as some of you know, I became President & COO of Archaia a couple of months ago. While we have made some changes in our business, none of those are affecting our commitment to providing the highest quality graphic novels to the direct market. We have not made any changes to the management team that has brought you our award-winning products. So, thanks are always due to Founder and CCO Mark Smylie, Publisher Mike Kennedy, and last, but not least, our Editor-in-Chief Stephen Christy. They rock and simply deliver the best books around! Together, we look forward to delivering those books to you and all our customers.

Thank you everyone, for continued support! From all of us here at Archaia, may you have a safe and Happy Holiday season! See you in 2013!

The Fringe is the place between life and death, and Michael Cavallaro is its newest occupant. As Michael begins to learn the nature of The Fringe from Matthew Dunsinane, better known as The Grim Ghost, we also learn about The Grim Ghost's history, which spans all the way back to the Revolutionary War, and his centuries-long battle with Braddock. The fates of three souls will come crashing together, with nothing short of a battle between Heaven and Hell looming. (STK454403)

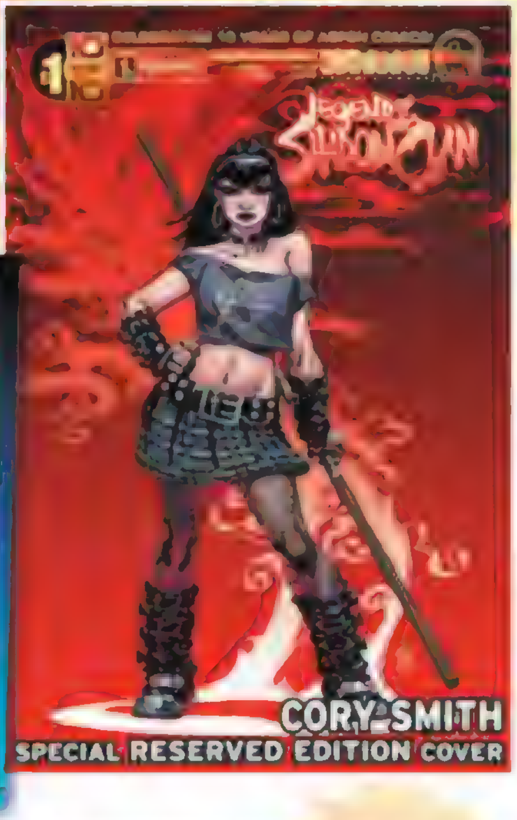
LEGEND OF THE SHADOW CLAN #1

ASPEN BLOODLINE

Written by David Wohl
Pencils & Inks by Cory Smith / Colors by John Starr
Created By David Wohl & Brad Foxhoven
Limited Series (1 of 5) / FC / 32 pages / $1.00



ASPEN'S TEN YEAR ANNIVERSARY KICKS OFF WITH THE DEBUT OF LEGEND OF THE SHADOWCLAN!

Meet the Arashi family. They are like any other family living in the city: kids in school, parents working to make ends meet. But unbeknownst to even them, their ancestors held a dark secret: they were a clan of ninja in feudal Japan, in the employ of a prominent leader. But when that leader was murdered under mysterious circumstances, the Arashi Clan was blamed, and forced to flee, going into hiding. Over the centuries, the descendants lost track of the ancient ways. They came to America, abandoning their sordid past to distant memory. However, recently, their secret has been discovered: their ancient enemy has returned, and won't rest until every member of the Arashi clan is killed. Now, the Arashi family must rediscover their long-forgotten birthright if they hope to have any chance of surviving the onslaught to come, and along the way, they will learn the LEGEND OF THE SHADOWCLAN.

Writer David Wohl is joined by the artistic talents of Cory Smith and colorist John Starr, as they bring to you the thrilling new adventures of the LEGEND OF THE SHADOWCLAN!

MICHAEL TURNER'S FATHOM IS EXPLORED TO NEW DEPTHS IN FATHOM: BLUE DESCENT!

Aspen Matthews is the link between the world we know and the world below, but the secrets of her past have always remained shrouded in mystery until now! Absaloma is Aspen's father and a member of the Blue, searching for answers to his own purpose within the ever-changing landscape under the surface. However, his self-exploration takes a back seat for a search far more important to his livelihood - the search for his captive wife–and Aspen's mother--Eilah! Kidnapped by the race known as The Black, Eilah's lurid nightmares of this mythical species came to horrifying life when their arrival indeed turned into a reality. Now, with a new focused determination and motivation, it is up to Absaloma and his trusted childhood friend Zo to rescue his wife!

CROSSED ANNUAL 2013

Regular Retail Price: $5.99 US
Writer: Simon Spurrier
Cover & Art: Gabriel Andrade
MR, Color, 48 pages

ABOUT: The first ever Crossed Annual promises a super-sized tale of extreme horror you will not want to miss! Simon Spurrier unveils a standalone story, that is a perfect starting point for new readers, exploring a black corridor from before Wish You Were Here! While the weekly www.crossedcomic.com features the whole cast, one character screamed out for a special one shot issue that tells his tale of woe. Jackson, the mad Scotsman who tears into the Crossed with the sort of efficiency only the truly insane could accomplish, was hard-as-nails before the outbreak. Then he got tougher. Spurrier and the stunning art of Gabriel (Ferals) Andrade deliver a grueling dose of viciousness that explores what it means to be insane in a World gone Crossed. There is no hope. There is no help. There is only the Crossed. Available with a Regular, Wraparound, Torture, and special Red Crossed Incentive covers by Gabriel Andrade

Coldplay's *Mylo Xyloto*, began life very differently than most musical works. The 2011 platinum-selling album was initially conceived as a spectacular and imaginative storytelling fusion of both sight and sound. We caught up with Phil Harvey, Coldplay's creative director and the official fifth member of the band, and Mark Osborne, the Academy Award®-nominated director of *Kung Fu Panda* and the upcoming *The Little Prince*, to discuss the inception of the project and the new six-part mini-series *Mylo Xyloto* that debuts this month from Bongo Comics Group.

When and how did you know Mylo Xyloto would be a graphic story as well as a record?

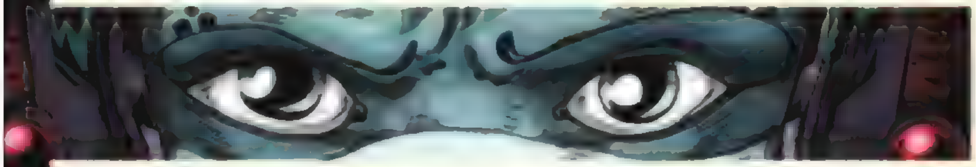
Phil Harvey: *The story and the music developed side by side, each informing the other. At first, we thought the story would get told as a movie, but as we got deeper into it, we realised that a series of comics would do a better job.*

Mark Osborne: *The graphic story came out of all the development art we were doing for a collaborative animation project. It was an exciting surprise to see it all come together in an unexpected way first–as a series of comic books. Doing this gave us a great way to further define and explore the visual universe.*

The coloring in this book definitely speaks volumes about setting. Tell us a little bit about Mylo Xyloto's world.

PH: *Mylo lives in a world where sound and colour have been outlawed as a means of governmental control. And the population is so addicted to a government-provided virtual reality that they don't even care. But there's a small band of rebels who use magical, noisy graffiti to keep the streets alive. Unfortunately, it's Mylo's job to destroy them.*

MO: *The inspiration is equal parts modern street art and old school graffiti, Orwellian-type dystopian settings, Moebius-style alien universes, and experimental "visual music" animation by the likes of Oskar Fischinger and my CalArts mentor Jules Engel. Steve Hamaker did an amazing job of combining the spirit of all of these disparate influences into a color story that is cohesive, engaging and surprising. His version of a "colorless" world (which is not necessarily a novel concept) is so interestingly and creatively realized.*



Often a dystopia carries a message or warning for society. What kind of ideas are you hoping to explore with this story?

PH: *The story's arch villain Major Minus is a personification of various forms of corruption and power hoarding–from empire building to mass media domination. I guess if there's an underlying message in the story, it's "Ask questions–don't passively accept what you're spoon-fed." And the Hypnofeed, Major Minus' source of power, could be seen as a warning of where telecommunications and entertainment technologies might go if we're not careful.*

MO: *The themes that fueled the series from my perspective were those of youth in rebellion, rising up against oppressive forces, and the importance of self-expression and discovering one's true voice. Our dystopia is a warning to not get too comfy believing everything you see and read, and don't get too detached from the real world, spending too many hours glued to screens that deliver an unending supply of stimulation.*

What is the connection to street art and graffiti?

PH: *It's a very pure form of self-expression. Say what you want, how you want. No rules. No censors. People have been expressing themselves on walls since cavemen. Time after time though history, authoritarian regimes have come up against groups of insubordinate graffiti artists. And it's the graffiti that's survived, not the regimes.*

MO: *It is pure expression and about getting a message across. Graffiti on subway cars was a way to get your name spread all over the city. It was a way to be noticed, to be respected. It has evolved greatly into an art form that is now used in a more thought provoking way. This whole history of the art form was something we wanted to capture and use for the purposes of our story.*

What do you think fans of the album, and your larger catalog, are going to enjoy most about the comic?

PH: *When they read the comic, fans of the album will recognise loads of motifs and phrases from the album's music and artwork. Hopefully, it'll give them a new perspective on some of the songs. But our main hope is that they just enjoy the story!*

How did you find the right team to work with on this project? Was it challenging to shift between mediums?

PH: *Mark approached us before we'd even laid down a note of the album, so it was always going to be Mark and his team of animators and illustrators. It's definitely been a challenge working in a new medium. But I've really enjoyed bouncing script and storyline ideas with Mark and the band and watching a universe take shape in front of me.*

MO: *When we were developing the animation project, a friend named Kazu Kibuishi was helping out with some of the art. He is the creator of the* AMULET *comic series and the editor of the* FLIGHT *anthologies, and so when we started talking about creating a comic series, he helped me find artists who would be a good fit. Of all of the* FLIGHT *artists he knew it was Alejandro Fuentes' art that inspired me the most and reminded us of Moebius. Sure enough, Alex was a huge fan of Moebius and could really visualize what we were trying to do. I had also met Jeff Smith and Steven Hamaker when I was very interested in trying to help bring* BONE *to the big screen, and so Steve was the first one I called on for color when the series was starting to be a reality. For the writing, the band and I developed the outline of the story for all six issues, and I wrote the first one, but I turned to a great friend and writing collaborator Dylan Haggerty to write issues #2-6. I knew his sensibilities would be a perfect fit since we had spent a great deal of time collaborating on a project with similar themes. And for me the shift from animation to comics was not that difficult, since story and character are always my focus. I just liked it because it was so much faster than animation production!*

Who in the band has a history with comics?

PH: *We all loved comics growing up: from Whizzer* and Chips *through to* 2000 AD. *I'm also a big fan of "Little Nemo in Slumberland."*

How have you liked the process so far? Can you see yourselves working on another story in the future?

PH: *We've loved it. I don't think this is the end.*

MO: *I loved the process, and I would love to do more. It's the perfect way to explore a new universe.*

Any other thoughts you'd like to offer our readers?

PH: *Just thanks for taking the time.*

MO: *If you want to see the comic in motion and get some backstory to the series, check out Coldplay's music video that I directed for "Hurts Like Heaven"–featuring the introduction of Mylo himself!*

Called back to the USA by the frantic government, McLane and Jones discover that General Carrington has kidnapped Wally Sheridan, President of the United States! Holed up in a secret base he's turned into a fortress, Carrington intends to put Sheridan on trial on live TV and expose him as the Number I of the conspiracy. To do that, he's going to need XIII's help in bringing in his main witness: the Mongoose! (STK522507) (C: 0-1-2)

XIII VOLUME 13: TOP SECRET GN

(W) Jean Van Hamme
(A/CA) William Vance
The Mongoose is dead. So is Number I. But, since he was the President of the United States, XIII's friends are all on the run again. McLane, though, has been arrested, and he's being judged in secret by the heads of the American intelligence community. Sentenced to life in a secret prison, he has no illusions that he'll ever reach it. The ruthlessness of the NSA Director proves him right — but he's not the only one who wants XIII dead. Part one: The First-Timers. Eddie Mellinger, Trudy Giroux, Duke Wylie and George Winburn are Red Team: the NYPD's elite anti-narcotics unit. They've taken down one drug lord after another with a careful blend of meticulous surveillance and applied violence, but their latest case has even them stumped. Their frustration leads them to take extreme measures- setting them on a path from which there can be no coming back. As they're about to discover, doing the wrong thing can be very, very seductive.

GARTH ENNIS • CRAIG CERMAK

RED TEAM

What is the general premise of Red Team?
GARTH ENNIS: Frustrated beyond endurance by a suspect's continual evasion of justice, the four members of elite NYPD strike unit Red Team decide to murder him. Things either go very well or very badly, depending on your point of view, and soon the team are locked onto a course from which there's no turning back.

Who do you think the breakout character of Red Team will be?
GARTH ENNIS: Tricky one. Eddie Mellinger is the narrator, and as such more or less the voice of reason. Trudy Giroux, on the other hand, is a very tough cookie.

Why will fans of The Boys want to pick up Red Team?
GARTH ENNIS: Same writer. Otherwise a pretty different book, several steps closer to the real world. Definitely for fans of the harsher side of The Boys.

Craig Cermak is the artist for the series. Tell me about the process of working with him and why he is a perfect fit for Red Team.
GARTH ENNIS: Exactly the kind of artist I like: great storyteller, thinks his way into the story, nails the characters. And for sheer drawing ability I couldn't have asked for better.

You've got Howard Chaykin as one of your cover artists. What does his presence bring to the series?
GARTH ENNIS: Stature. And I like to think this is very much Howard's world- crime comics in general, and the darker end of them in particular.

With The Boys over, you continue to do a lot of writing for Dynamite. What is it about Dynamite that keeps you coming back to write more books for them?
GARTH ENNIS: The deal I want, and an extremely competent team. The latter doesn't get much of a mention when people discuss the various companies, but to me it's crucial- I did a book for a much larger outfit a few years ago and it came out riddled with errors. You can always fix them in the (eventual) trade, but at the end of the day the book has my name on it and I have to live with whatever screw-ups it contains. This isn't an issue at Dynamite.

What can readers expect in future issues of Red Team?
GARTH ENNIS: You'll see Red Team begin to settle into the rhythm of their dangerous new existence, as much to their surprise as anyone's. Some of them aren't too happy with the moral compromises they're having to make: how they learn to live with it (or not) is one of the things the book's all about. And then, from a completely new direction, comes their real problem. By the end of the story, the story's dark, brooding melancholy will have given way

NEW SERIES!

THE SHADOW is a character that has lasted through decades on the pages of pulp magazines, over the radio airwaves, thru the silver screen, and in the panels of comic books. Shrouded in mystery, his origins have been explored and hinted at over the years...but never fully revealed. Much is known of Kent Allard/Lamont Cranston's years spent in the Orient and Central America—wherein he gains his powers and purpose...but not how he first developed his persona as the Master of Darkness. Eisner Award-winning author, Matt Wagner is joined by artist Wilfredo Torres in an exhilarating limited series that will explore the dynamic events that first drew Cranston back to the States, how he first met his companion and lover, Margo Lane, how he began to assemble his vast network of agents and how he first adopted the famous black hat and cloak as his alter-ego's disguise—all secrets that, up until now...only The Shadow knew!

With the law twisted and perverted to benefit the unjust, those who serve justice have no choice but to operate outside the law. The Spider digs into the shadowy past of the new governor, but what he finds raises more questions than it answers. Back in New York City, the Shadow and Green Hornet are marshaling their forces, as vigilantes and heroes like the Green Lama, Miss Fury, and the Black Terror join their cause. Meanwhile, a blind lawyer and a fugitive artist find themselves standing alone against the might of the Black Legions.

Ever since she took the throne of Sogoria, Sonja's journey has been leading to something greater still. Her small kingdom threw off the shackles of an empire only to see terrorism, revolt, and finally the brutality of Thulsa Doom. Starved, shocked, and near desperation, Sonja's people now openly revolt against her rule. She turns to the only wealthy Baron to levy taxes and feed the people, but he has a better idea — attack the empire! Open assault on the Emoran Empire is suicide, but to Sonja war is a form of art. She plunges the fiefdoms of Emora into confusion and chaos, while feeding her tiny kingdom off Emoran crops. This is only the first act, her real designs are on the crown itself, and the reformation of the corrupt Empire, with her atop the throne as Empress Sonja! After the events of last issue, Ashley J. Williams and his mini-deadite sidekick Sam find themselves looking for a way back to the present. Unfortunately for them, dark forces are working to ensure that they remain lost in the time stream. How will Ash and Sam overcome the odds when faced by a resurrected King Montezuma who wants to feed them to the Old Ones? Forget what the Mayans said, it's the Aztec Apocalypse baby, and all that stands between us and it is a chainsaw, a boomstick and a chin!

These are the all-new adventures of the hero from the cult-classic horror/adventure film! Don't be a primitive screwhead, order your copy today!

AN ORIGINAL GRAPHIC NOVEL!

Hyrapiet cover

A Dynamite/Liquid release! Prisoner Etu, racked with guilt, re-lives the decision which led to the destruction of his tribe at the hands of an unthinkable monster generations before. The year is 1867 and nestled among the majestic mountains of the Pacific Northwest lies a Native American village on the verge of extinction. When its inhabitants become suspicious of a strange family who choose to live apart from the rest, young Etu trails the family to a camp deep in the woods only to discover that they possess inconceivable powers! When Etu reveals what he has witnessed to the tribe, his father, a powerful Witchdoctor, discloses the identity of the family and the spell he cast on them years before. An edict to exterminate the family at all costs is passed down — but when confronted by their powers, the plan only sets in motion the birth of a curse more evil than any of them could have imagined!

LETTING IT GO
MIRIAM KATIN

LETTING IT GO HC

(W/A/CA) Miriam Katin
The world of Holocaust survivor and mother is turned upside down by the news that her adult son is moving to Berlin, a city Katin has villainized for the past forty years. As she struggles to accept her son's decision, she visits the city twice, first to see her son and then to attend a Museum gala featuring her own artwork. What she witnesses firsthand is a city coming to terms with its traumatic past, much as Katin herself is. *Letting It Go* is a deft and careful balance: wry, self-deprecating anecdotes counterpoint a serious account of the myriad ways trauma inflects daily existence, both for survivors and for their families. MOOMIN BUILDS A HOUSE GN

(W/A/CA) Tove Jansson
After Mymble's family comes to visit the Moomins, her littlest and most badly behaved sister, Little My, is left behind. She promises to behave if she is given Moomin's bedroom; Moomin, tired of being forced out of his room, decides to build a house where all the rooms will belong to him. With Little My helping out, things are sure to go awry, but in the end, Moomin's house-building misadventures teach him the value of a home. (STK522716)

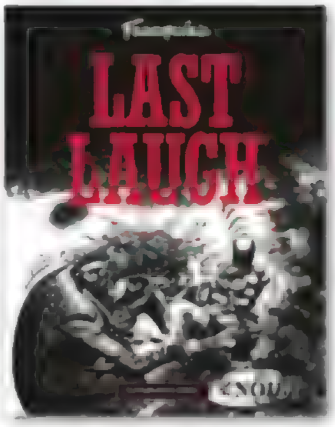
NEW TITLES

THE COMPLETE PEANUTS VOL. 19 1987-1988

by Charles M. Schulz

$28.99 / HC / 344 pgs / BW / 8.5 x 7

As we reach the 19th volume in this best-selling series collecting arguably the greatest comic strip of all time, Charles Schulz is still as inventive, hilarious, and touching as ever. This volume features an introduction by Garry Trudeau plus a surprise format change, as the daily strip switches from its trademark four-square panels format to a more flexible one-to-four-variable panels format which, along with Schulz's increased use of gray tones, give this volume a striking, distinctive look.



FRANQUIN'S LAST LAUGH

by Franquin

$16.99 / HC / 72 pgs / BW / 7.25 x 10.5

In the late 1970's and early 1980's, as the great Franco-Belgian artist (and creator of *Gaston Lagaffe*) Andre Franquin's world view became ever-more depressed, so his work took on a darker hue culminating in a series of joyfully morbid "blackout" pages that pictured the world as a bleak, miserable, and hopeless hell, all executed in an exquisite black and blacker symphony of pen lines. Fantagraphics is proud to present Franquin's complete "Idees Noires" collection, including many strips translated into English for the first time.

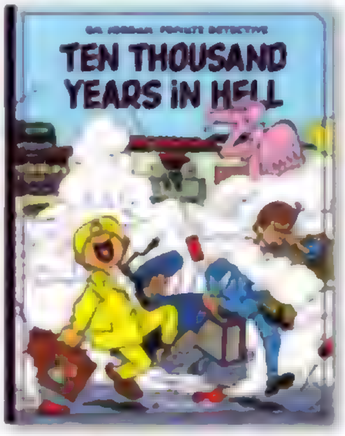
GODDAMN THIS WAR!

GODDAMN THIS WAR!

by Jacques Tardi and Jean-Pierre Verney

$24.99 / HC / 152 pgs / FC / 7.25 x 10.5

A perfect companion piece to Tardi's *It Was The War Of The Trenches*, *Goddamn This War!* is a new, full color graphic novel length exploration of World War I that is broken down in a more chronological, historical way than its double Eisner award-winning precursor (although it shares *Trenches'* sustained sense of outrage, pitch black gallows humor and impeccably scrupulous historical exactitude) compounded by an extensive historical text section in the back, stuffed with spectacular, fascinating and horrific period photographs.



TEN THOUSAND YEARS IN HELL

by M. Tillieux;

$18.99 / HC / 96 pgs / FC / 8.25 x 11.5

Ten Thousand Years in Hell marks a sharp departure from the moody, urban detective style of Fantagraphics's previous Gil Jordan graphic novel by Tillieux, *Murder By High Tide*. Instead, the title story is a rollicking prison-escape yarn set in South America. The second story, "Boom and Bust," features one of Tillieux's patented spectacular car crashes. Tillieux's masterful graphics remind the reader why he was considered one of the top Franco-Belgian cartoonists of his time and, indeed, of any time.

NEW TALES of old PALOMAR

SPOTLIGHT ON

NEW TALES OF OLD PALOMAR

by Gilbert Hernandez

$22.99 / HC / 104 pgs / BW / 7 x 10

Originally released as a three-issue magazine series in the acclaimed international "Ignatz" format, *New Tales of Old Palomar* collects, into one handsome book, all three stories, representing Gilbert Hernandez's literary return to the small Central American town of Palomar. These stories feature tales of adventure and everyday magic starring many of Gilbert's most beloved characters.

Certified Cool

GOOD DOG

by Graham Chaffee

$16.99 / HC / 80 pgs / BW / 8 x 10

Good Dog is the first new graphic novel from alternative cartoonist Graham Chaffee following his successful 2003 collection, *The Most Important Thing And Other Stories*. Readers accompany Ivan the stray dog as he navigates dog society, pack politics and surveys canine-human interactions. The story is a rousing Jack London-esque adventure as well as a moral parable, all told from a dog's-eye view.

THE DANIEL CLOWES READER: A Critical Edition of *Ghost World* and Other Stories, With Essays, Interviews, and Annotations

by Ken Parille

$29.99 / Hardbound / 300 pgs / FC / 6.125 x 9

This landmark collection features ten of Clowes' most influential stories, along with interviews in which he talks about the creative process and twelve thought-provoking essays by contemporary scholars and critics. A wide-ranging introduction to the work of one of the most important living cartoonists, the book features *Ghost World* and several other stories - some reprinted for the first time - about girls and boys coming of age, troubled superheroes, and the place of artists and critics in popular culture.

by Peter Bagge (with R. Crumb, Alan Moore, Adrian Tomine, Daniel Clowes, Johnny Ryan, Gilbert Hernandez, Jaime Hernandez, and Danny Hellman)

$19.99 / SC / 136 pgs / FC / 7.25 x 10.5

Over the past 20 years, as Peter Bagge worked on his "Buddy Bradley" stories and other graphic novels, he also cranked out dozens of shorter stories, which are now collected here. Included are one-off gags and short stories as well as a series of Bagge-written stories drawn by other cartoonists, such as Daniel Clowes, Adrian Tomine, R. Crumb, Johnny Ryan, the Hernandez Brothers and Danny Hellman plus the hilarious "Kool-Aid Man" written by Alan Moore and drawn by Bagge. This collection shows Bagge at his most free-wheeling and craziest — 50 times over.

The Unspeakable Vault (of Doom)

THE UNSPEAKABLE VAULT (OF DOOM) TP

(W/A/CA) Francois Launet

A lighthearted view of H. P. Lovecraft's Cthulhu Mythos, *The Unspeakable Vault (of Doom)* is based on the web-comic of the same name by François Launet, which chronicles the "daily" lives of the Great Old Ones, including Cthulhu, Nyarlathotep, and Yog-Sothoth, among others. This funny collection of gag comic strips is a parody of the horror genre that further investigates in humorous detail the monster characters originally created by Lovecraft. Although created to invoke laughter instead of the usual terror found in Lovecraft's work, the book explores dark and mature themes such as death, religion, and the occult, albeit in a light and fanciful manner. The Flystones
No Country for Sober Men

THE FLYSTONES: NO COUNTRY FOR SOBER MEN GN

(W/A/CA) Toni Marmota

The band the Flystones are rebels of Flytown, fighting against repression, injustice, and corruption. But Don Bumblebee, the abject, manipulative, and always angry Flytown mayor, decides to prohibit the dissemination of pop music in all its variants. A fun story with a rock edge to suit the rockstar writer and the real-life counterparts of the animated characters — a band whose roots are in punk, rock, and counterculture — the age-old battle of good versus evil takes wing. Music becomes a vehicle for freedom as the Flystones fight Flytown injustice in a fictional world that is not unlike reality, but with a heavy dose of satire mixed in. (STK522400)

GABBA GABBA HEY: THE RAMONES GRAPHIC GN

The Ramones were the archetypal American punk band and this is their story, from their beginnings in Queens in 1974, through the burgeoning punk scene at CBGB's, the excitement of their first album, their brush with the unhinged genius of Phil Spector and the endless touring that saw them perform 2,263 concerts over a 22 year period. Set against a backdrop of New York facing bankruptcy and terrorised by Son of Sam, The Ramones tale takes in endless inter-band fighting and finally the tragic deaths of three of the founding members: Joey, Johnny, and Dee Dee. HAND-DRYING IN AMERICA HC
(W/A/CA) Ben Katchor
Ben Katchor, a master at twisting mundane commodities into surreal objects of social significance, now takes on the many ways our property influences and reflects cultural values. Here are window-ledge pillows designed expressly for people-watching and a forest of artificial trees for sufferers of hay fever. With cutting wit Katchor reveals a world similar to our own — lives are defined by possessions, consumerism is a kind of spirituality — but also slightly, fabulously askew. (STK521732) (C: 0-1-2)

ADVENTURE TIME: FIONNA & CAKE #2

BOOM! Studios/KaBOOM!

I'll be honest. I watched *Adventure Time* because of John DiMaggio. It was a gloomy day and I was channel surfing when I heard Bender's voice. The voice was coming out of a magical dog that stretches like Mr. Fantastic, flies, and was currently embarked on a quest with his pal Finn to get a snippet of a Princesses hair to cure an evil witch from female baldness. Needless to say I watched the whole show.

Adventure Time has a unique and completely off the wall sense of humor where anything can happen at any time. The episode "Fionna and Cake" is considered by fans as one of the most loved episodes of the series in much the same way that I hold "Mirror Mirror" as my favorite original *Star Trek* episode. In the *Adventure Time* alternate universe everyone switches genders instead of becoming evil with stylish goatees.

If you didn't check out *Fionna and Cake* last month be sure to jump on the band wagon this December for Issue #2!

ASSASSIN'S CREED: THE CHAIN GN

Ubiworkshop

ASSASSINS CREED
THE CHAIN

The Order of Assassins spans centuries, forming a long linage of highly trained assassins and *The Chain* is yet another snap-shot in the history of Ubisoft's *Assassin's Creed* universe. Two separate stories take place over two very distant time periods but their outcome and consequences affect the other, dictating the future of all future assassins.

In 1917, a retired assassin readies his young son to take his place in order. Meanwhile, as the 21st century becomes a reality, a descendent of the assassin in 1917 finds himself in a strained time in the Order's history where a mission to Moscow may be the deciding factor for the future of the Order of Assassins.

With words and art by creative team Cameron Stewart and Karl Kerschl, Ubisoft produces yet another high-quality graphic novel adventure for the casual reader or the committed game fan alike. Not all video game-based comics are created equal and *Assassin's Creed: The Chain* stands at the top of the list.

AYAKO GN

Vertical Inc.

Tezuka, famous in the North American markets for children's properties like *Astro Boy*, *Unico*, and *Simba the White Lion*, also produced a wealth of amazing works of graphical literature intended for older audiences. Vertical has brought over many of these mature titles and has amassed a stunning library for english-language readers; chief among them Tezuka's *Ayako*.

The traditional, aristocratic Tenge family suffers the twin shames of post-World War II governmental redistribution of their family estate to their tenant farmers and the stigma of a soldier son who survived as a prisoner of war rather than dying for his Emperor. Worse, the returning son complicates the horrible back-room deals already struck between the Patriarch and his primary heir over the dwindling inheritance and brings the shame of the home family's incestuous dealings to the surface. At the same time, Tezuka masterfully intertwines a second plot. The Tenge family's youngest adults are used to explore the political climate of defeated, occupied post war Japan. Brothers are pitted against sisters in a series of murders, cover-ups, and intrigues that tear the family apart.

The whole book is a fugue of hidden crimes and abuses, a Russian nesting doll of metaphors for the confusion and struggles for identity and prosperity of the Japanese nation following WWII. Tezuka mirrors the macro sociopolitical forces of rival social classes against the micro inner-family struggles amongst the Tenge clan: all of it shame, guilt, and an overwhelming drive for self-protection used to justify greed and brutality. At its nexus sits Ayako herself — an innocent, abused and deranged — she is the unwanted product of the all-too human storm around her, a perfect survivor who can never go home.

(W) Joe Simon & Various
(A/CA) Joe Simon, Jack Kirby

A huge cache of untouched stories by the legendary creative team, collaborating with some of the most famous illustrators in comics! Simon and Kirby's science fiction stories are an unimaginable treasure trove that have remained largely uncollected — until now! Their first collaboration, *Blue Bolt*, was first published in 1940 and changed the way comics were produced. They returned to science fiction in the 1950s, producing Sputnik-era adventures in collaboration with other legendary creators: Al Williamson, Angelo Torres, Reed Crandall, and Wally Wood. This volume features all-new digital restorations of over 300 pages of comic strip. This volume resents for the first time in 70 years the first *Blue Bolt* story by Joe Simon and includes an all new introduction by writer and artist Dave Gibbons (*Watchmen*). (STK471399) (C: 0-1-1)

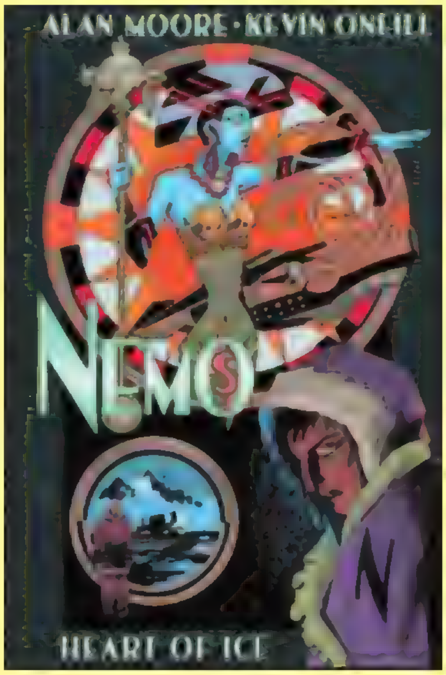
(A/CA) Kevin O'Neill



In the grim cold of February surfaces a thrilling new *League of Extraordinary Gentlemen* book — *Nemo: Heart of Ice*, a full-color 48-page adventure in the classic pulp tradition by the inestimable Alan Moore and Kevin O'Neill. It's 1925, fifteen long years since Janni Dakkar first tried to escape the legacy of her dying science-pirate father, only to accept her destiny as the new Nemo, captain of the legendary *Nautilus*. Now, tired of her unending spree of plunder and destruction, Janni launches a grand expedition to surpass her father's greatest failure: the exploration of Antarctica. Hot on her frozen trail are a trio of genius inventors, hired by the megalomaniacal Charles Foster Kane to retrieve the plundered valuables of an African queen. It's a deadly race to the bottom of the world — an uncharted land of wonder and horror where time is broken and the mountains bring madness. (STK520175) (C: 0-1-3)

TEZUKA'S AYAKO TP
(W/A/CA) Osamu Tezuka

Long considered as one of Osamu Tezuka's most political narratives, *Ayako* is also considered to be one of his most challenging. Initially set in the aftermath of World War II, *Ayako* focuses its attention on the Tenge clan, a once powerful family of landowners living in a rural community in northern Japan. The war and American occupation have begun to erode the fabric that binds them all together. The increasing influence of political, economic and social change begins to tear into the many Tenge siblings, and they decide to turn their collective rage on what they believe to be the source of their troubles — the newest member of the Tenge family, the youngest sister Ayako. IDW PUBLISHING

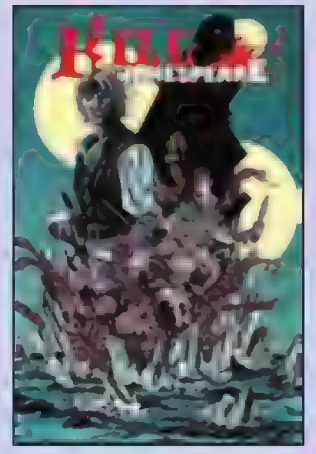
KILL SHAKESPEARE: TIDE OF BLOOD #1

IDW Publishing



If you haven't picked up *Kill Shakespeare*, you're missing out on an extremely cool and deliciously nerdy book. Writers Conor McCreery and Anthony Del Col pit the Bard's most conflicted heroes against his rottenest scoundrels in an epic power struggle with more backstabbing, romance, and sorcery than you can shake a quill at, while artist Andy Bellanger's expressive style brings swordfights and witchcraft to the page with equal gusto.

Yet, you don't need to be a Shakespearean scholar or a Renn Faire regular to enjoy this series. Much like *Fables*, *Kill Shakespeare* uses characters' back stories to create new and interesting conflict. "Tide of Blood," for example, finds Romeo on the far distant corner of a love triangle with Juliet and Hamlet. These three and Othello will journey to the island lair of sorcerer Prospero, master of books, who intends to destroy the world. If you're looking for a solid story with complex characters and a little bit of magic, believe me when I say you'd do well to join them.

JACK DAVIS' EC STORIES: ARTIST'S EDITION HC

IDW Publishing

Growing up when I did if you weren't reading comics (which everyone knows I surely did) you at least read *Mad Magazine*. If you read *Mad* it was for Don Martin, Dave Berg, Mort Drucker, and, for me, Jack Davis. As I moved beyond comic collecting I looked for anything by Jack Davis. Once I finally went to comic conventions I found EC Comics, the gold standard for comic book art.

The legendary writers and artists were many and while I loved Williamson and Wood, Craig and Ingles, that southerner in me held a special place for the work of Jack Davis. In IDW's *Jack Davis' EC Stories: Artist's Edition* we all get to see why his work is held in such high regard. Jack could do humor and horror and combine them when appropriate. Jack could do a science fiction story as effectively as a Civil War adventure.

Even if you already have the EC Archives reprinting classic stories illustrated by Jack Davis, this Artist edition featuring the EC work of Jack Davis allows you to see how the comic legend created his pages even when restricted to the pre lettered pages supplied by the company.

This Artist edition like the others in the line presents complete stories, such as the classic horror story "Foul Play," and covers as each page was scanned from the actual original artwork with each page scanned in color to replicate as closely as possible the viewing of his original art. Since each page is printed the same size as drawn and the paper stock selected is as close as possible to the original art board, you will need taller shelves to place it on your bookshelf.

TRIAGE X VOLUME 2 GN

(W/A/CA) Shouji Sato

When two police detectives get involved in their operation, the nurses of Mochizuki Hospital must wield their instruments — katana, machine gun, and pistol — with even greater precision to excise the cancerous Masaki. As each nurse uses her particular specialty to dispatch Masaki's thugs, Arashi pursues the root himself. Arashi may struggle with his piecemeal identity, but treating this human virus is something both sides of him are sure of. (STK521660) (C: 0-1-2)

The mind-bending follow-up to Call of Wonderland is here!

Detective Logan is still trying to make sense out of what happened to the two murder suspects who disappeared seemingly in thin air from a locked basement. But when she's called in on a new disturbing and brutal murder case she realizes that there is a connection to be made somewhere as she begins to uncover something more frightening than she could have ever imagined.

Meanwhile, Lovecraft's journal is further explored as the nightmares continue to haunt him and the symbols he sees from those dreams are also appearing to him while he's awake. As he searches further down the "rabbit hole" for answers he senses danger closing in around him.

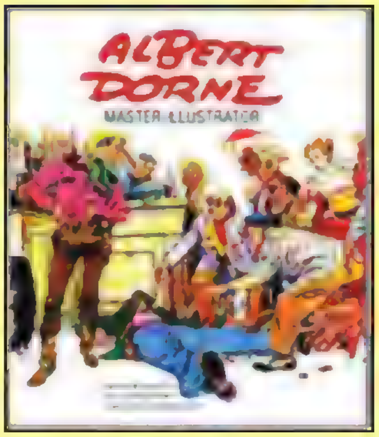
ALBERT DORNE: MASTER ILLUSTRATOR HC



(W) David Apatoff
(A) Albert Dorne, Jack Davis
Albert Dorne was one of the most colorful characters in the history of American illustration. He went from a childhood of desperate poverty to international renown as an artist, business leader, educator, and philanthropist. He is recognized as the founder of the Famous Artists School. A self-taught artist, by the time of his death in 1965 he had established himself as one of the preeminent, highest paid illustrator of his day. Now, for the first time, the entire career of this master illustrator is presented in the pages of one book. Featuring an informative essay by David Apatoff, an insightful introduction by author-illustrator Howard Munce, who knew the artist, and a graphic foreword by celebrated Mad magazine artist, Jack Davis, this volume captures the scope and breadth of Albert Dorne's many accomplishments. A new adventure with the second Doctor, as told by his companion Polly. The TARDIS has landed in a futuristic space casino where the Doctor, Ben, Polly, and Jamie find fun, games, and monsters everywhere. There are vicious robot dogs, snake-headed gangsters from the Sidewinder Syndicate and a mysterious masked woman called Hope. In this place, time travelers are to be tracked down and arrested. Yet, as events spiral out of control, time may be Polly's only ally. Anneke Wills and Frazer Hines return to the roles of Polly and Jamie, which they played opposite Patrick Troughton's Doctor. JAMES BOND

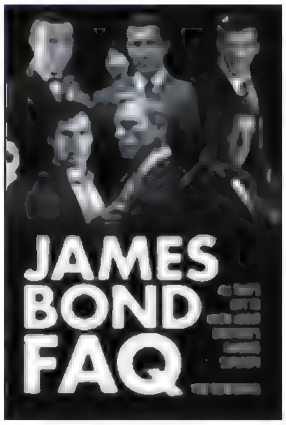
JAMES BOND FAQ: ALL THAT'S LEFT TO KNOW ABOUT EVERYONE'S FAVORITE SUPERSPY

(W) Tom DeMichael



A favorite of film followers for 50 years, James Bond is the hero loved by everyone: Men want to be just like him, women just want to be with him. *James Bond FAQ* is a book that takes on the iconic cinema franchise that's lasted for so many years. Sometimes serious as SPECTRE, sometimes quirkier than Q, but always informative, this FAQ takes the reader behind-the-scenes, as well as in front of the silver screen. Everyone's included, alongside little-known facts like TV's first shot at 007, the same Bond story that was made into two different films, whatever happened to those wonderful gizmos, plus much more. It's a book for the casual, as well as hardcore, James Bond fan. (STK522281) (C: 0-1-1)

THE SIGNS OF JAMES BOND: SEMIOTIC EXPLORATIONS IN THE WORLD OF 007

(W) Daniel Ferreras Savoye

This book tackles Ian Fleming's novels as well as the 22 films of the Eon Productions series and follows the evolution of certain determining features (paradigms) from the text to the screen, to determine their function within the narration. This study reveals how the James Bond universe creates different poles of attention (narrative authority) by fusing different narrative domains (semiotic codes) that work in harmony to compose an entire narrative universe that goes beyond a mere spy adventure to become a genre in itself as well as a cultural reference. A MILLION LITTLE BRICKS: THE UNOFFICIAL ILLUSTRATED HISTORY OF THE LEGO PHENOMENON HC

From its inception in the early 1930s right up until today, the LEGO Group's history is as colorful as the toys it makes. Few other playthings share the LEGO brand's creative spirit, educative benefits, resilience, quality, and universal appeal. This history charts the birth of the LEGO Group in the workshop of a Danish carpenter and its steady growth as a small, family-run toy manufacturer to its current position as a market-leading, award-winning brand. As nostalgic as it is contemporary, *A Million Little Bricks* will have you reminiscing about old classic Space sets, rummaging through the attic for forgotten Minifigure friends, and playing with whatever LEGO bricks you can get your hands on. THE HOBBIT

SPOTLIGHT ON

THE HOBBIT: ORCRIST SWORD REPLICA

In Middle-Earth's Third Age, Thorin Oakenshield and his company of Dwarves came upon a troll lair in Rhudaur. There Thorin found an ancient Elven sword named Orcrist, forged by the High Elves of the West in Gondolin. Thorin claimed Orcrist for his own and vowed to cleave goblins with it once again. The blade of Orcrist features a curved leaf shape on one side and a straight edge on the other, a fitting design for a blade meant to cleave orcs and goblins. Adorning the pommel is an emblem of the heraldry of Ecthelion of the Fountain. The hilt is shaped from the tooth of a dragon. This authentically detailed replica is a reproduction of the actual filming prop built by Weta Workshop and used in Peter Jackson's *The Hobbit: An Unexpected Journey*. The sword is 38 3/4" long and features a stainless steel blade with an etched runic inscription. The hilt is crafted with solid metal parts, simulated gem stones, and an acrylic resin grip cast from the original prop. It is presented with a wood wall display and includes a Certificate of Authenticity. (STK522014) Scheduled to ship in February 2013. (4792/UC2928) (C: 1-1-3) **NOTE:** Available only within the United States and U.S. Territories.

THE AVENGERS MOVIE: THOR MJOLNIR LIMITED EDITION REPLICA

"Whosoever holds this hammer, if he be worthy, shall possess the power of Thor." Mjolnir is the hammer wielded by Thor, the Norse God of Thunder. Ordered by Odin, chief of the Norse Gods, dwarven blacksmiths forged Mjolnir from the core of a dying star. It has been stated by Odin himself that Mjolnir's power has no equal. Mjolnir itself is extremely durable like the Earth metal Adamantium and combined with the various enchantments placed upon it by Odin, is for all intents and purposes, indestructible. This 1:1-scale officially-licensed replica is made from the original master patterns and molds used to create the original screen used prop. It features hand finished resin, polystone, leather, and metal construction with special "Mirror Chrome" paint. (STK522007) Scheduled to ship in April 2013. MARVEL COMICS AMAZING SPIDER-MAN: VENOM UNBOUND FINE ART STATUE

Appearing in countless comic books and the film Spider-Man 3. Now, he returns in a brand new Fine Art Statue to take on his nemesis Amazing Spider-Man as **VENOM UNBOUND!** Crouched low like a viper poised to strike, the evil Venom willingly gives up the high ground to web-head. Brock and the Symbiote are in perfect sync, taunting their prey and patiently waiting to get it in their deadly grasp. Venom is massively muscled, with an intricately sculpted alien physiology that shows how the symbiote can shift forms and make itself look imposing. Leaning forward on his right leg, the monster bends at the waist with its arms out to its sides and wicked clawed fingers opened wide as it flings webs with the smashed concrete street flying around it. Venom wears his trademark smile, a huge skull-splitting grin exposing frightening teeth while the creature's shockingly long tongue snakes out of its mouth and curls in the air. The symbiote is black with bright white spider markings on its chest and back, squares on the back of its hands, and its enormous eyes; meanwhile, Venom's creepy brownish teeth contrast nicely with its dark red, wet-looking tongue! Venom Unbound stands nearly 10 inches tall in magnificent 1/6 scale. While Brock and the symbiote make for a great display on their own, this statue's base and pose are specially designed to create an integrated battle scene with the previously released Amazing Spider-Man Unleashed Fine Art Statue from Kotobukiya!

DC COMICS JUSTICE LEAGUE BATMAN NEW 52 ARTFX+ STATUE

Kotobukiya's line of DC Comics "New 52" ARTFX+ Statues continues, capturing the new looks and costumes of heroes in the Justice League. Joining the previously released Superman, Green Lantern, Flash, Wonder Woman, and Aquaman is the **Dark Knight BATMAN!** Joining his fellow Leaguers in their impressive lineup, Batman stands at the ready, no doubt contemplating multiple scenarios in his head. Wayne's first appearance in the ARTFX+ lineup captures his New 52 look by Jim Lee perfectly, with his current subtly-armored Batsuit. The details on Batman are exceptional from the intricate lines on his costume to the many tiny pouches on his utility belt, wicked bladed gauntlets, long flowing cape, and more. Kotobukiya's unique take on this Batman features a metallic sheen to his gray costume that looks fantastic with the darker black of the cape, cowl, chest emblem, gloves, and boots, while of course the belt is its traditional bright yellow. Standing nearly 8 inches tall, Batman was sculpted by master artist Goutaro Takeuchi (Atelier Bamboo). Like the other Justice League members Wayne has magnets in his feet for perfect stability on the included base, and he'll look great displayed on your shelf by himself or alongside his teammates.

With strength, wit, rakish charm, and a talking sword named Hrym, Rodrick has all the makings of a classic hero — except for the conscience. Instead, he and Hrym live a high life as scoundrels, pulling cons and parting the weak from their gold. When a mysterious woman invites them along on a quest into the frozen north in pursuit of a legendary artifact, it seems like a prime opportunity to make some easy coin, especially if there's a chance for a double-cross. As the miles wear on, however, Rodrick's companions begin acting steadily stranger, leading man and sword to wonder what exactly they've gotten themselves into! (STK520148) (C: 0-1-2)

DJANGO UNCHAINED

From the Weinstein Company! From the Weinstein Company! Set in the South two years before the Civil War, Django Unchained stars Jamie Foxx as Django, a slave whose brutal history with his former owners lands him face-to-face with German-born bounty hunter Dr. King Schultz. Schultz is on the trail of the murderous Brittle brothers, and only Django can lead him to his bounty. The unorthodox Schultz acquires Django with a promise to free him upon the capture of the Brittles — dead or alive Honing vital hunting skills, Django remains focused on one goal: finding and rescuing Broomhilda (Kerry Washington), the wife he lost to the slave trade long ago. Their search leads them to Calvin Candie (Leonardo DiCaprio), the proprietor of "Candyland," an infamous plantation where slaves are groomed by trainer Ace Woody to battle each other for sport. If Django and Schultz are to escape with Broomhilda, they must choose between independence and solidarity, between sacrifice and survival! (STK522928) (C: 0-1-2)

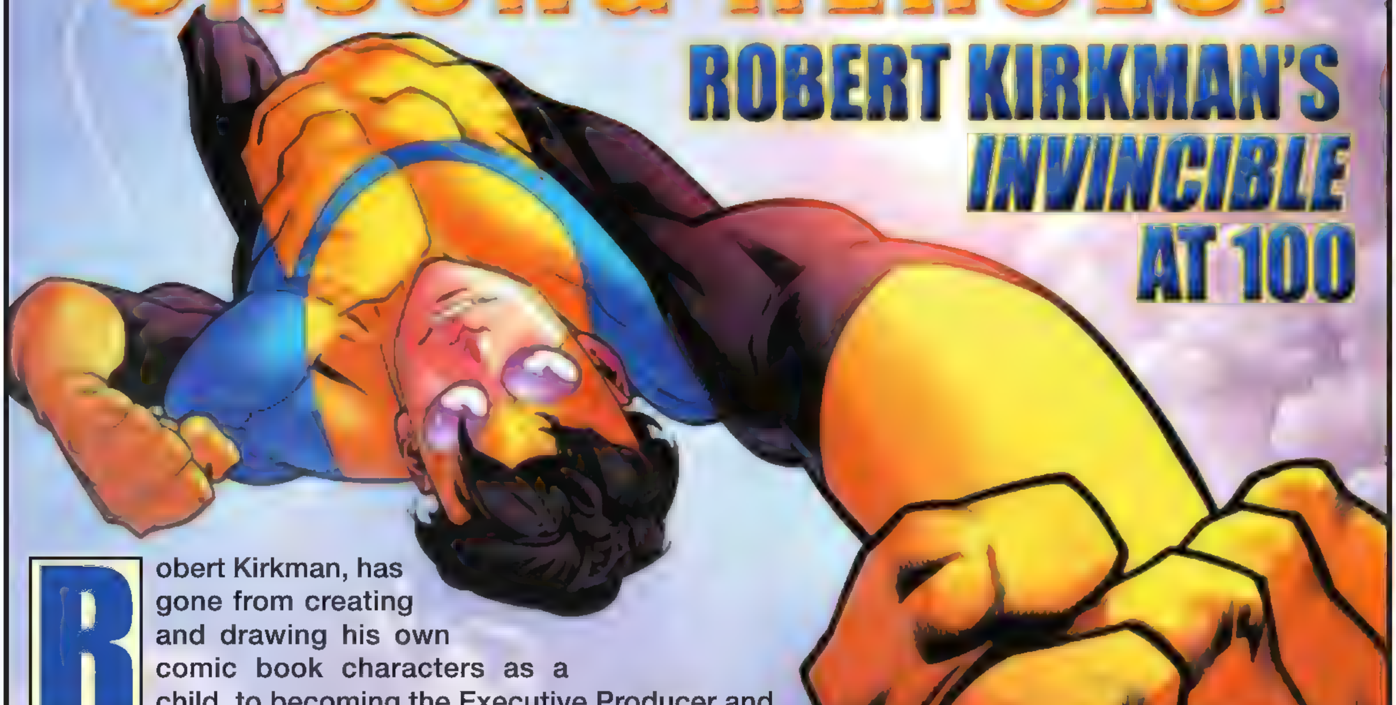
UNSUNG HEROES:

ROBERT KIRKMAN'S *INVINCIBLE* AT 100



Robert Kirkman, has gone from creating and drawing his own comic book characters as a child, to becoming the Executive Producer and writer of the hit AMC television series, *The Walking Dead*, as well as the writer/creator of the Eisner Award-winning comic upon which the TV series is based. From that series have come video games, merchandise and more. The 100th issue of *The Walking Dead* was released the week of 2012's San Diego Comic-Con, where its multi-cover release was met with a total sell-out across the nation, and even a special Zombie Obstacle course held at the nearby stadium. This year, Kirkman won Spike TV's "Game Changer" Award and the "Innovator" Award at the Saturn Awards. And on January 23, Kirkman will release his 100th issue of *Invincible*, being released with multiple covers just like *The Walking Dead*.

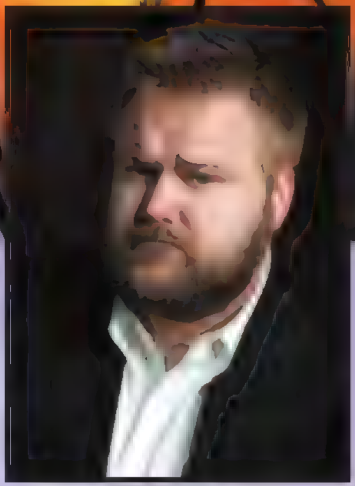


photo by Megan Mack

While not the cultural phenomenon that is *The Walking Dead*, Robert Kirkman's *Invincible* has lasted the test of time, garnering fan and critical praise alike for its mix of teenage angst, sci-fi trappings and classic super hero action. Every issue is a solid read, filled with the stuff that makes super hero comics great... and great to read.

And with issue #100 of *Invincible* coming in a few short months, we spoke with creator Robert Kirkman about the series' long road to this landmark issue, as well as the universe of heroes and villains that it spawned...

FLIPside

***PREVIEWS*: Invincible ships its 100th issue in January, when you started the book ten years ago did you think it would continue this long?**

Robert Kirkman: No, the book had a rocky start for about a year. In fact, there was a time when I thought issue #13 was going to be the last issue. But then things turned around pretty quickly and the book found a sure footing for itself. It became clear pretty early on that the book would continue for a while. Making it to issue #100 was always a dream, but I never thought it was actually possible. So, to be on the cusp of reaching that number is a pretty awesome thing. It's something that Ryan Ottley and Cory Walker and everyone that's worked on the book is really excited about.

It's also really strange to have two books hitting that number pretty close to each other and continuing on past that. When I got into this industry, my career goal was to have a comic book that I could tell stories with for as long as I wanted, really dig in deep and tell long-form stories for a good number of years. And to have that happen on two books... I feel incredibly fortunate to be able to do that.

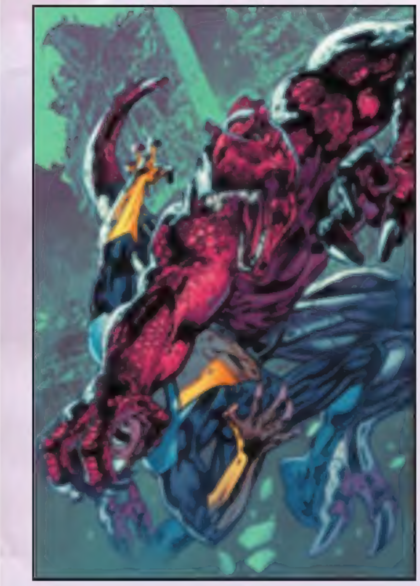
P: How has the book evolved over the course of those 100 issues from what your original vision was back in '02?

RK: I always had the Viltrumite story and I think that's really been the core of *Invincible* as it's moved forward and everything else has been revolving around that story line. Moving over the course of the 100 issues I've been building towards different things and a lot of that culminated in the "Viltrumite War" that occurred around issue #75 and those surrounding issues, but that story's not over and there's quite a bit going on with the Viltrumites behind the scenes. It's been that story that's become the through-line of the series. There's been a lot going on and I'm really proud of the way we've been able to have the characters evolve over the course of the series. I look at the cast we have now and I see very different characters from where they were in the beginning. That makes me think we're doing our job right. The fact that Mark Grayson himself is older, more experienced and thinks differently than he did in the beginning, is one of the goals of telling a long-form story and I think that we've done a pretty good job with it.

That being said, it's fun to be able to have Mark take a back seat to some of the other characters and get to do a little work with them from time to time, that's something that's happened a few times over the life of the series. The supporting cast is as important to the book as Mark is. Coming out of these recent issues and moving toward issue #100, we're definitely bringing Mark back to the forefront and we're going to be doing some really interesting things with him that I'm pretty excited about.

P: Over the course of the series what's been your favorite part about being able to build your own universe?

RK: Having the book at Image comics, being an owner of the book and being able to control every aspect of the book gives us more freedom for the story telling. Conquest is a good example of this. He



was a villain that took the readers by storm and became a fan favorite very quickly. He had a set story. We told that story, and then he died. He will never be in the book again. That's not really something we could do if this was a corporate comic. It would be like, "When's that Conquest guy coming back? We know he's dead but he's very popular so we've got to get him back."

Having the freedom to tell the stories we want to tell, and kill the characters that we want to kill, or go in directions that you wouldn't really expect, has made the book that much better. It's a testament to how great Image Comics is that we get that kind of freedom. It's made the book that much more fun to work on.

P: Creating new Super Heroes that "stick" in today's market has become increasingly challenging. What do you think helped make Invincible not only a creative success but a commercial one as well?

RK: Everyone that works on the book is a comic book fan. I like to say that *Invincible* is everything that I've ever loved about super hero comics but in one book. So it really is a super hero comic for people that have been reading super hero comics for a really really really long time. To the point where they're able to recognize the formula and they can predict what's going to happen, because there's a cycle to the storytelling of super hero comics. We are a book that tries to play within those parameters to a certain extent but we often times break out of it, in hopefully exciting and fun ways. So I think that by playing with the conventions of super hero storytelling in a way that is almost tongue-in-cheek and to certain extent a little bit like a parody, but it's not a parody story, it's very serious and interesting and compelling. I like to think that we have become the super hero book for the jaded super hero fan.

You can definitely tell that the book is worked on by people who love these super hero books and have a great understanding of the genre. You've expanded to do the *Guarding the Globe* series. Would you ever consider expanding the universe further into additional books?

That's something that I'd be open to doing. I've done books like the *Astounding Wolfman*, *Tech Jacket*, *Capes* and *Brit* that have existed in the same universe as *Invincible*. I could foresee a future where all of those books are running concurrently and there's an overall tapestry to the universe. Creating a big continuity that you get to read different pieces of every week, that's pretty exciting to me as a comic book fan. I don't know that I'll ever have the resources to get to that point but that certainly would be neat.

P: Any additional info that you'd like to share about *Invincible* #100?

RK: I will say that the "Death of Everyone" storyline that's going to carry us through issue #100 is going to be the craziest, most intense thing that's happened in the book yet. Fans should definitely be on the lookout for it!
